Hot Wheels 1965 Shelby GT-350 Collectible Model 54661 Instruction Manual

Limited Edition Cool Collectibles Series

1. PRODUCT OVERVIEW

This manual provides essential information for the Hot Wheels 1965 Shelby GT-350 collectible model. This is a highly detailed, multi-piece 1:64 scale replica, part of the 100% Hot Wheels Cool Collectibles series. Designed for the adult collector, it features a black body with double gold stripes down the hood and trunk lid, as well as gold stripes along the sides and raised white letter tires. The model comes mounted in a display case with an open hood, showcasing its movable parts and top-quality paint finish.

This image shows the Hot Wheels 1965 Shelby GT-350 collectible car, presented in its original display case packaging. The packaging features the '100% Hot Wheels' logo and indicates it is a 'Limited Edition for the Adult Collector'. The black Shelby GT-350 model is visible inside the clear plastic case, with its hood slightly open, showcasing its detailed design.

2. PACKAGE CONTENTS

- 1 x Hot Wheels 1965 Shelby GT-350 Collectible Car (mounted in display case)

3. SETUP

1. **Unboxing:** Carefully remove the collectible from its outer packaging. The model is secured within a clear plastic display case.
2. **Display:** Place the display case on a flat, stable surface away from direct sunlight, excessive heat, or humidity. Ensure the display area is free from dust and potential hazards that could cause the item to fall.
3. **Orientation:** Position the display case to best showcase the detailed features of the 1965 Shelby GT-350 model.

4. HANDLING AND OPERATION

This product is a static collectible model. While it features movable parts, it is not intended for play. Handle with care to preserve its condition.

- **Display Case:** Keep the model inside its display case to protect it from dust and damage.
- **Movable Parts:** The hood of the model is designed to open. If you wish to view the engine detail, gently lift the hood. Avoid forcing any parts.
- **General Handling:** When moving the display case, hold it firmly from the base to prevent accidental drops. Avoid touching the model directly unless absolutely necessary for cleaning.

5. MAINTENANCE

Proper maintenance ensures the longevity and pristine condition of your collectible.

- **Dusting:** Regularly dust the exterior of the display case with a soft, dry, lint-free cloth. For stubborn smudges on the plastic, use a slightly damp cloth with plain water, then dry immediately.
- **Avoid Chemicals:** Do not use abrasive cleaners, solvents, or chemical sprays on the display case or the model itself, as these can cause damage or discoloration.
- **Interior Cleaning:** If dust accumulates inside the display case, carefully open it (if designed to be opened) and use a soft brush or compressed air to gently remove dust from the model. Avoid direct contact with the paintwork.
- **Storage:** If storing the collectible, keep it in its original packaging or a protective box in a cool, dry place away from extreme temperatures and direct light.

6. TROUBLESHOOTING

As a static collectible, troubleshooting needs are minimal. Most issues relate to display or minor cosmetic concerns.

- **Dust Accumulation:** Refer to the 'Maintenance' section for cleaning instructions.
- **Display Case Scratches:** Minor scratches on the plastic display case can sometimes be reduced with specialized plastic polish, but significant damage may require replacement of the case (if available).
- **Loose Parts:** If any small parts become loose, do not attempt to reattach them if you are unsure. Consult a professional or contact Hot Wheels customer support for advice.
