# APS Pure Melamine White Square Bowl 125mm User Manual

Model: 2504

## 1. INTRODUCTION

This manual provides essential information for the proper use and care of your APS Pure Melamine White Square Bowl 125mm. Designed for presentation and serving, this bowl features straight outer edges and small corners, offering an elegant aesthetic for various dining and display needs. Please read these instructions carefully before first use and retain them for future reference.

## 2. SETUP AND FIRST USE

---

Before using your new APS Melamine Bowl for the first time, follow these steps:

1. **Unpack:** Carefully remove the bowl and any included components (such as the spoon) from its packaging. Inspect for any signs of damage.
2. **Wash:** Wash the bowl thoroughly with warm, soapy water. Rinse completely and dry with a soft cloth. This removes any manufacturing residues.
3. **Placement:** The bowl is ready for use. It can be placed directly on a surface or utilized with serving stands for an elevated display.

### 3. OPERATING INSTRUCTIONS

The APS Pure Melamine White Square Bowl is designed for serving various food items. Its durable melamine construction makes it suitable for both indoor and outdoor use.

- **Serving:** Use the bowl to serve salads, fruits, snacks, desserts, or other culinary creations.
- **Presentation:** Its elegant design enhances food presentation. Consider using multiple bowls for a cohesive display, especially when paired with compatible serving stands.
- **Temperature:** Melamine is suitable for serving food at room temperature or chilled. *Do not use this bowl in a microwave oven or for heating food directly.*

### 4. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your melamine bowl.

- **Cleaning:** The bowl is dishwasher safe. For best results, place it on the top rack. Alternatively, hand wash with warm, soapy water and a non-abrasive sponge or cloth.
- **Drying:** Dry thoroughly after washing to prevent water spots.
- **Storage:** Store in a dry place. Stacking bowls is acceptable, but consider using soft cloths or paper towels between them to prevent scratches if stacking frequently.
- **Avoid:**
  - Do not use abrasive cleaners, steel wool, or scouring pads, as these can scratch the surface.
  - Do not use in a microwave oven, conventional oven, or on a stovetop. Melamine is not designed for high heat cooking.
  - Avoid direct contact with open flames or extremely hot surfaces.

## 5. TROUBLESHOOTING

While the APS Melamine Bowl is a simple and durable product, here are solutions to common concerns:

- **Stains:** For stubborn food stains, try soaking the bowl in warm, soapy water for a period before washing. A paste of baking soda and water can also be gently applied and rinsed.
- **Scratches:** Minor scratches can occur over time with heavy use. To minimize scratches, avoid using sharp utensils directly on the bowl's surface and follow proper cleaning instructions.
- **Breakage:** While melamine is highly durable and shatter-resistant, extreme force or impact can cause it to chip or break. Discontinue use if the bowl is damaged to prevent injury.

## 6. SPECIFICATIONS

Attribute	Detail
Brand	APS
Model Number	2504
Material	Melamine
Color	White
Shape	Square
Capacity	400 Milliliters
Product Dimensions	5.12 x 5.12 x 2.36 inches (125mm x 125mm x 60mm approx.)
