## OPERATING THE GAME

---

### Basic Controls

WWE All Stars features responsive, arcade-style controls designed for immediate fun. Each WWE Legend and WWE Superstar has a variety of grapples, attacks, killer combos, and signature maneuvers.

- **Weak Strike:** Quick, low-damage attacks.
- **Strong Strike:** Slower, high-damage attacks.
- **Weak Grapple:** Initiates a quick grapple sequence.
- **Strong Grapple:** Initiates a powerful grapple sequence.
- **Reversal:** Timed button presses to counter opponent's moves.
- **Signature Move:** Special move that builds up during a match.
- **Finisher:** Devastating move that can only be performed when fully charged.

### Gameplay Modes

Experience various ways to play and determine the greatest of all time:

- **Exhibition:** Quick matches with customizable rules.
- **Fantasy Warfare:** Play through epic matchups between WWE Legends and Superstars, each introduced by cinematic video packages featuring authentic WWE footage.
- **Path of Champions:** Guide your chosen Superstar or Legend through a series of challenges to become champion.
- **Create-a-Superstar:** Customize your own WWE Superstar and pit them against the game's roster.

### Character Classes

The game features four distinct character classes, each with unique advantages, strengths, and techniques:

- **Acrobat:** Agile and high-flying, focusing on aerial attacks and quick maneuvers.
- **Big Man:** Powerful and resilient, excelling in heavy-hitting moves and absorbing damage.
- **Brawler:** Aggressive and hard-hitting, specializing in strikes and close-quarters combat.
- **Grappler:** Master of submissions and technical holds, capable of locking opponents into painful maneuvers.

### Visuals and Action

The game features highly stylized visuals with exaggerated character models and over-the-top moves, enhancing the arcade-style experience.

## MAINTENANCE

To ensure the longevity and proper functioning of your WWE All Stars game disc, please follow these

guidelines:

- Handle the disc by its edges to avoid fingerprints and smudges.
- Store the disc in its original case when not in use to protect it from dust and scratches.
- Clean the disc with a soft, lint-free cloth, wiping from the center outwards. Do not use abrasive materials or harsh chemicals.
- Avoid exposing the disc to extreme temperatures or direct sunlight.

## TROUBLESHOOTING

---

If you encounter any issues while playing WWE All Stars, consider the following common solutions:

- **Disc Read Error:** Ensure the game disc is clean and free of scratches. Try cleaning the disc as described in the Maintenance section.
- **Game Freezing/Crashing:** Ensure your Xbox 360 console's system software is up to date. Clear the console's cache if the issue persists.
- **Controller Issues:** Verify your controller is properly connected and has sufficient battery life.
- **Display Problems:** Check your console's video output settings and ensure your display device is correctly configured.

For persistent issues, consult the official Xbox 360 support resources or the game publisher's support channels.
