## Tork A1 Lemon Aerosol Deodorizer User Manual

Brand: Tork | Model: 236050-TRP

### 1. PRODUCT OVERVIEW

The Tork A1 Lemon Aerosol Deodorizer is designed to effectively eliminate unpleasant odors in restrooms and other commercial spaces. It utilizes a blend of concentrated fragrance oils and odor-neutralizing agents to provide a continuous fresh scent for up to 24 hours. This aerosol is intended for use with compatible Tork Aerosol Deodorizer Dispensers, which offer adjustable settings to suit various environments.

Image 1.1: The Tork A1 Lemon Aerosol Deodorizer can, featuring the Tork logo, model number 236050, 'Citrus Air Freshener Spray Premium 75ml', and the A1 system indicator.

## 2. KEY FEATURES

- **Effective Odor Control:** Formulated with concentrated fragrance oils and odor-neutralizing agents to combat and eliminate unpleasant smells.
- **Long-Lasting Freshness:** Provides a consistent fresh lemon scent for up to 24 hours, ensuring a pleasant environment around the clock.
- **Flexible Compatibility:** Designed with flexible attachments to be compatible with most Tork A1 system dispensers, allowing for versatile placement.
- **Easy Maintenance:** Simplifies upkeep by requiring only the replacement of the aerosol can when empty.
- **Bulk Packaging:** Supplied in a box containing 12 individual 75 ml aerosol cans, ensuring a sufficient supply for extended use.

## 3. SETUP AND INSTALLATION

The Tork A1 Lemon Aerosol Deodorizer is designed for quick and easy installation into a compatible Tork A1 dispenser. Ensure you have the correct dispenser model before proceeding.

1. **Open the Dispenser:** Locate the latch or button on your Tork A1 Aerosol Deodorizer Dispenser to open its casing.
2. **Remove Empty Can (if applicable):** If replacing an empty can, carefully remove it from the dispenser.
3. **Insert New Aerosol Can:** Align the nozzle of the new Tork A1 Lemon Aerosol Deodorizer can with the dispenser's spray mechanism. Gently push the can into place until it is securely seated.
4. **Close the Dispenser:** Close the dispenser casing, ensuring it latches securely.
5. **Adjust Settings (Dispenser Dependent):** If your Tork A1 dispenser has adjustable settings for spray frequency or intensity, configure them according to your preference and the size of the area to be deodorized.

## 4. OPERATING INSTRUCTIONS

Once the Tork A1 Lemon Aerosol Deodorizer is correctly installed in a compatible Tork A1 dispenser, the system will operate automatically.

- **Automatic Dispensing:** The dispenser will automatically release bursts of the lemon fragrance at pre-set intervals, maintaining a consistent fresh scent in the area.
- **Continuous Freshness:** The product is designed to provide 24-hour freshness, ensuring that the environment remains pleasant throughout the day and night.
- **Adjustable Settings:** Refer to your specific Tork A1 dispenser's manual for instructions on how to adjust spray frequency and other settings to optimize fragrance delivery for your space.

## 5. MAINTENANCE

Maintaining the Tork A1 Lemon Aerosol Deodorizer system is straightforward and primarily involves replacing the aerosol can when it is empty.

- **Can Replacement:** When the fragrance diminishes or ceases, it indicates that the aerosol can is empty. Follow the 'Setup and Installation' steps to replace the empty can with a new one.
- **Dispenser Cleaning:** Periodically clean the exterior of your Tork A1 dispenser with a damp cloth to remove dust or residue. Do not use abrasive cleaners.
- **Battery Replacement (Dispenser):** If your dispenser is battery-powered and stops functioning, replace the batteries as per your dispenser's manual. The Tork A1 system typically requires 1 AA battery for the dispenser unit.

## 6. TROUBLESHOOTING

If you encounter issues with your Tork A1 Lemon Aerosol Deodorizer, consider the following common troubleshooting steps:

- **No Fragrance Dispensed:**

- Ensure the aerosol can is correctly inserted and securely seated in the dispenser.
- Check if the can is empty and replace it if necessary.
- Verify that the dispenser's batteries (if applicable) are fresh and correctly installed.
- Inspect the dispenser's spray nozzle for any obstructions.

- **Weak Fragrance:**

- The can may be nearing empty; consider replacing it.
- Adjust the dispenser's settings to increase spray frequency or intensity, if available.
- Ensure the dispenser is placed in an optimal location for fragrance dispersion, away from strong drafts or very large open spaces.

- **Dispenser Not Functioning:**

- Check and replace the dispenser's batteries.
- Ensure the dispenser casing is fully closed and latched.
- Consult the specific Tork A1 dispenser manual for detailed troubleshooting steps related to the dispenser unit itself.

If problems persist after following these steps, please contact Tork customer support for further assistance.

## 7. SPECIFICATIONS
