

## Tork 236052

# Tork 236052 Floral Air Freshener Spray Instruction Manual

## 1. PRODUCT OVERVIEW

---

The Tork 236052 Floral Air Freshener Spray is designed to eliminate unpleasant odors and provide a long-lasting, fresh floral scent in various indoor environments, particularly washrooms. This product contains concentrated fragrance oils and patented odor neutralizers to ensure effective and consistent freshness. It is intended for use as a refill in compatible Tork air freshener dispensers.

Each 75ml refill bottle delivers approximately 3,000 dosed sprays, ensuring efficient and controlled fragrance release.

Image 1: Tork 236052 Floral Air Freshener Spray bottle. The white aerosol spray bottle is labeled 'Tork Floral Air Freshener Spray Premium A1'. The label features a pink floral design and indicates 'Contents: 75ml/46g' and '3000 sprays'. A flame hazard symbol is visible on the left side of the label, indicating flammability.

## 2. SAFETY INFORMATION

Please read and understand all safety warnings before using this product. Failure to follow these instructions may result in injury or property damage.

- **Flammable:** This product is an aerosol and contains flammable propellants. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking.
- **Pressurized Container:** Do not pierce or burn, even after use.
- **Temperature:** Do not expose to temperatures exceeding 50°C (122°F). Store in a cool, dry place.
- **Eye Irritant:** Avoid contact with eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- **Inhalation:** Avoid breathing spray. Use in well-ventilated areas. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.
- **Keep Out of Reach:** Keep out of reach of children and pets.
- **Surface Contact:** Do not spray directly onto fabrics, furniture, or other surfaces as it may cause staining or damage.

### 3. SETUP AND INSTALLATION

---

The Tork 236052 Floral Air Freshener Spray is designed as a refill for compatible Tork air freshener dispensers. Follow these steps to install the refill:

1. **Open the Dispenser:** Locate the release button or latch on your Tork air freshener dispenser and open the front cover.
2. **Remove Old Refill (if applicable):** If an old refill is present, carefully remove it from the dispenser. Dispose of the empty container according to local regulations.
3. **Insert New Refill:** Align the Tork 236052 refill bottle with the dispenser's mechanism. Ensure the nozzle is facing the correct direction as indicated by the dispenser's internal markings. Gently push the bottle into place until it clicks securely.
4. **Close the Dispenser:** Close the front cover of the dispenser, ensuring it latches securely.
5. **Activate (if necessary):** Some dispensers may require a manual activation or setting adjustment after a refill is inserted. Refer to your specific Tork dispenser's manual for details.

### 4. OPERATING INSTRUCTIONS

---

Once installed in a compatible Tork air freshener dispenser, the Tork 236052 Floral Air Freshener Spray operates automatically based on the dispenser's settings.

- **Automatic Operation:** The dispenser will release a measured spray at pre-set intervals, providing continuous odor control and a pleasant floral fragrance.
- **Dosage:** Each refill is designed to deliver approximately 3,000 dosed sprays, ensuring consistent performance over its lifespan.
- **Coverage:** For optimal results, ensure the dispenser is placed in an area where the fragrance can circulate effectively throughout the room.

### 5. MAINTENANCE

---

Proper maintenance ensures the longevity and effectiveness of your Tork Air Freshener Spray refills.

- **Storage:** Store unused refills in a cool, dry place, away from direct sunlight and sources of heat. Ensure

the cap is securely fastened if removed from packaging.

- **Disposal:** Dispose of empty aerosol cans according to local environmental regulations. Do not puncture or incinerate.
- **Dispenser Cleaning:** Periodically clean the exterior of your Tork air freshener dispenser with a damp cloth to remove dust and residue. Do not spray cleaning agents directly into the dispenser's internal components.

## 6. TROUBLESHOOTING

If you encounter issues with your Tork Air Freshener Spray or dispenser, consider the following:

- **No Spray/Weak Spray:**
  - Check if the refill bottle is empty. Replace if necessary.
  - Ensure the refill is correctly seated in the dispenser.
  - Verify the dispenser's batteries (if applicable) are charged or correctly installed.
  - Check the dispenser's settings to ensure it is programmed to spray.
- **Unpleasant Odor Persists:**
  - Ensure the dispenser is placed optimally for air circulation.
  - Consider adjusting the dispenser's spray frequency if available.
  - Verify the room is adequately ventilated.

If problems persist, consult the manual for your specific Tork dispenser model or contact Tork customer support.
