IKEA Grundtal 5 pc S Hook Hangers, 2.75" User Manual

Model: FBA_B003UBG10E

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your IKEA Grundtal 5 pc S Hook Hangers. Please read these instructions carefully before using the product and retain them for future reference. These S hooks are designed for versatile hanging solutions in various home environments, particularly compatible with the IKEA Grundtal rail system.

Safety Information: Ensure that the surface or rail you intend to hang the hooks on is stable and capable of supporting the combined weight of the hooks and the items you plan to hang. Do not overload the hooks beyond their specified weight limit.

2. PRODUCT OVERVIEW

The IKEA Grundtal S Hook Hangers are a set of five durable stainless steel hooks, each measuring approximately 2.75 inches (7 cm) in length. They are designed by Mikael Warnhammar and are ideal for organizing kitchen utensils, towels, or other small items, especially when used with compatible rails or rods.

Figure 2.1: IKEA Grundtal 5-piece S Hook Hangers in packaging. This image displays the IKEA Grundtal S Hook Hangers, a set of five stainless steel hooks, packaged in clear plastic with product details visible on the cardboard header. The hooks are approximately 2.75 inches (7 cm) long.

3. SETUP

Setting up the IKEA Grundtal S Hook Hangers is straightforward:

1. **Identify Hanging Location:** Choose a suitable rod, rail, or bar where you wish to hang your items. Ensure the rod or rail is securely mounted and can support the intended weight. These hooks are designed to fit most standard kitchen rails, including the IKEA Grundtal rail system.
2. **Place the Hook:** Simply place one end of the S hook over the chosen rod or rail.
3. **Hang Your Item:** Use the other end of the S hook to hang your desired item.

Note: For added security, especially if the hooks are frequently moved or if items are heavy, you may gently crimp one end of the hook around the rail using pliers to create a tighter fit around the rail. Ensure this does not damage the rail or the hook.

4. OPERATING INSTRUCTIONS

The Grundtal S hooks are designed for simple and effective organization:

- **Versatile Use:** Hang kitchen utensils, pots, pans, towels, small bags, or other household items.
- **Weight Capacity:** Each hook is designed to support items up to a maximum weight of 35 pounds (approximately 15.8 kg). Do not exceed this limit to ensure stability and prevent damage.
- **Placement:** Distribute weight evenly if using multiple hooks on a single rail.

5. MAINTENANCE

To maintain the appearance and longevity of your stainless steel S hooks:

- **Cleaning:** Wipe clean with a soft cloth dampened with water or a mild detergent. Avoid abrasive cleaners or scouring pads, as these can scratch the stainless steel surface.
- **Drying:** Dry thoroughly with a clean, dry cloth to prevent water spots and maintain the matte finish.
- **Regular Inspection:** Periodically check the hooks for any signs of wear or damage.

6. TROUBLESHOOTING

- **Hooks frequently fall off the rail:**

Solution: If the rail diameter is significantly smaller than the hook's opening, the hooks may slide off easily. Consider gently crimping one end of the S hook with pliers to create a tighter fit around the rail. Ensure this does not damage the rail or the hook.

- **Items slip off the hooks:**

Solution: Ensure items are balanced on the hook. For items with small loops or handles, ensure they are fully seated on the hook's curve. Avoid hanging items that are too wide or unstable for the hook's design.

- **Hooks appear discolored or stained:**

Solution: Stainless steel can sometimes show water spots or minor discoloration from certain substances. Clean with a stainless steel cleaner or a mixture of vinegar and water, then rinse and dry thoroughly. Avoid prolonged contact with acidic foods or harsh chemicals.

7. SPECIFICATIONS

Brand	IKEA
Model Number	FBA_B003UBG10E
Material	Stainless Steel
Color	Silver
Finish Type	Matte
Number of Hooks	5

Item Dimensions (Length)	2.75 inches (7 cm)
Maximum Weight Capacity	35 Pounds (15.8 kg)
Mounting Type	Wall Mount (for compatible rails)
Package Dimensions	4.4 x 2.2 x 0.9 inches
Item Weight (per set)	0.01 ounces (approx. 0.28 grams)

Note: Item weight of 0.01 ounces is exceptionally low and may refer to a single hook or be a data entry anomaly. The hooks are made of stainless steel and have a substantial feel.

8. WARRANTY AND SUPPORT

Specific warranty information for the IKEA Grundtal 5 pc S Hook Hangers is not provided in this manual. For details regarding warranty coverage, returns, or product support, please refer to the original purchase documentation or contact IKEA customer service directly. You can typically find contact information on the IKEA official website or on your purchase receipt.
