Furinno TURN-N-TUBE 5-Tier Corner Shelf Instruction Manual

Model: 99811EX/BK

Brand: Furinno

1. INTRODUCTION

This manual provides detailed instructions for the assembly, usage, and maintenance of your Furinno TURN-N-TUBE 5-Tier Corner Shelf. Designed for efficient space utilization, this multipurpose shelving unit offers a simple, no-tool assembly process, making it a convenient addition to any room.

2. SAFETY INFORMATION

- Keep away from naked flame or direct heat sources.
- Do not exceed the maximum weight capacity of 10 lbs per shelf or 50 lbs for the entire unit.
- Ensure the unit is placed on a flat, stable surface to prevent tipping.
- For added stability, especially in households with children or pets, consider securing the unit to a wall using appropriate anchoring hardware (not included).
- Avoid climbing or standing on the shelves.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged:

- 5 x Shelf Panels (Corner-shaped)
- 16 x Durable PVC Tubes (Long poles)
- 4 x Round Tube Connectors (Bottom feet)
- Assembly Instructions Manual

Note: If any parts are missing or damaged, please contact Furinno customer support for assistance.

4. ASSEMBLY INSTRUCTIONS

This unit features a simple 'Turn-N-Tube' assembly system, requiring no tools. Follow these steps for quick setup:

1. **Prepare the Base:** Place one shelf panel on a clean, flat surface. Insert the four round tube connectors (bottom feet) into the pre-drilled holes on the underside of the shelf by twisting them clockwise until secure.
2. **Attach First Set of Poles:** Take four long PVC tubes. Twist each tube into the top of the round tube connectors on the base shelf. Ensure they are firmly tightened.
3. **Add Second Shelf:** Carefully align the second shelf panel over the top of the four installed PVC tubes. Press down gently and twist the shelf clockwise onto the tubes until it is securely seated.
4. **Repeat for Remaining Tiers:** Continue adding four PVC tubes and then a shelf panel, repeating step 3, until all five shelves are installed.
5. **Install Top Caps:** For the very top shelf, insert the remaining four PVC tubes into the holes. Then, place the top caps onto these tubes.

5. USAGE

The Furinno TURN-N-TUBE 5-Tier Corner Shelf is designed for versatile storage and display in various rooms such as living rooms, bedrooms, home offices, or dorms. It is ideal for:

- Displaying photo frames and decorative items.
- Storing books and magazines.
- Organizing toiletries or small kitchen items.
- Showcasing collectibles.

Remember to adhere to the weight limits to ensure stability and longevity of the product.

6. MAINTENANCE

To maintain the appearance and extend the life of your corner shelf, follow these simple care instructions:

- Wipe clean with a clean, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes, as these may damage the finish.
- Periodically check all connections to ensure they remain tight.

7. TROUBLESHOOTING

If you encounter any issues with your Furinno TURN-N-TUBE 5-Tier Corner Shelf, consider the following:

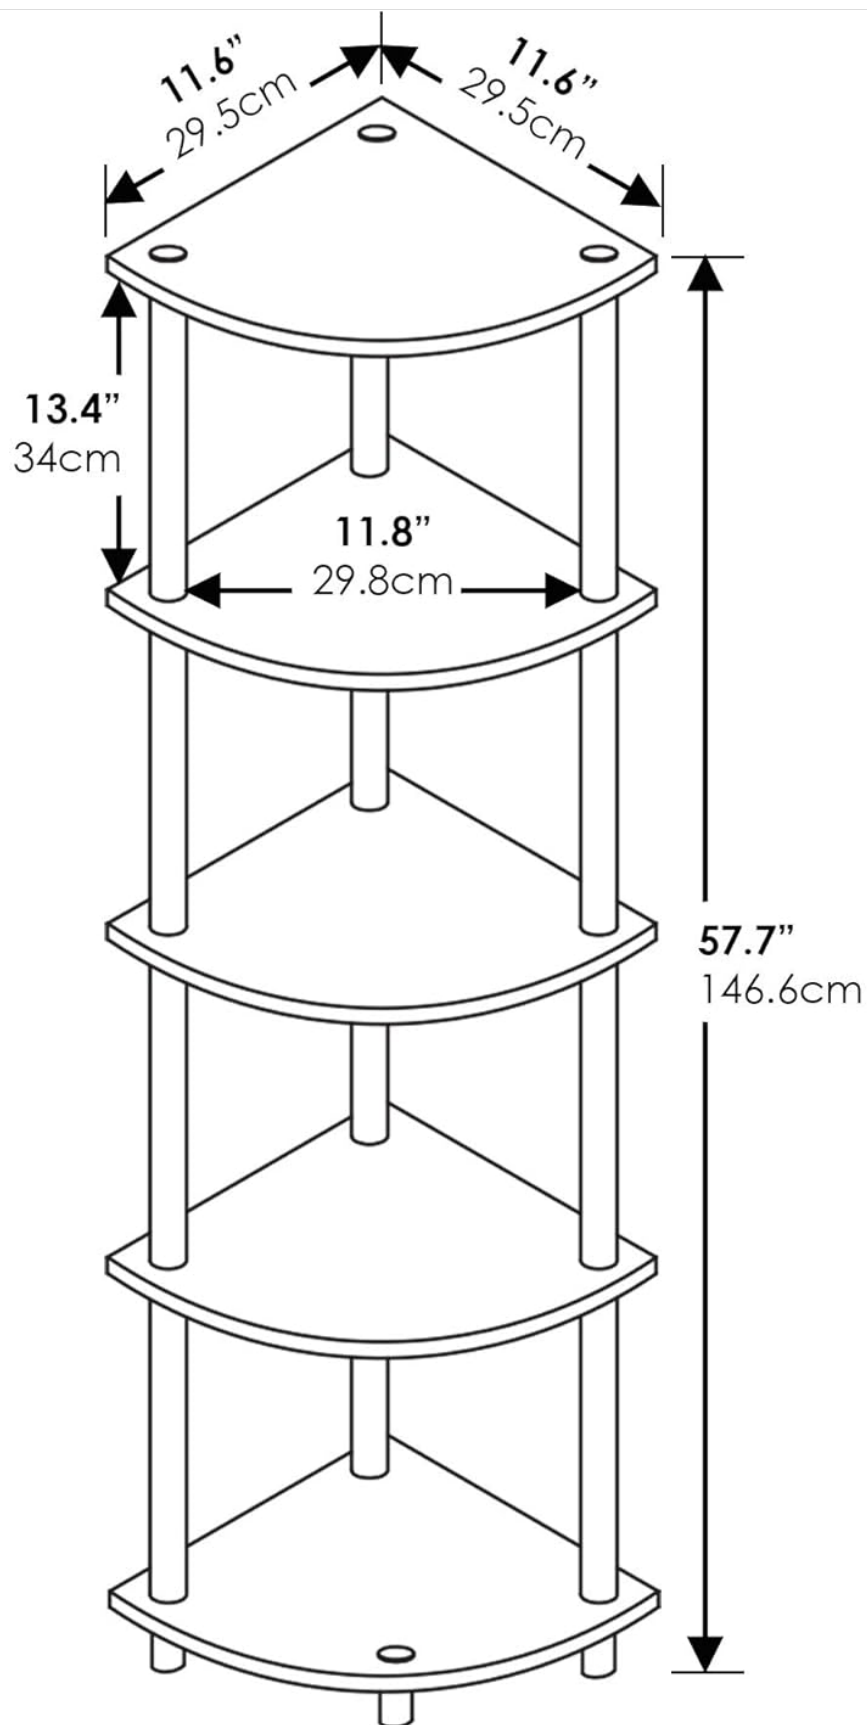

- **Wobbling/Instability:** Ensure all PVC tubes and connectors are fully tightened. Verify the unit is on a level surface. If necessary, redistribute items to balance weight.
- **Damaged Parts:** If any part arrives damaged or breaks during normal use, refer to the Warranty & Support

section for replacement information.

For persistent issues not resolved by these steps, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
