Bosch MUZ5ZP1

Bosch MUZ5ZP1 Citrus Juicer Attachment User Manual

For Bosch MUM5 Food Processors

INTRODUCTION

This manual provides instructions for the safe and efficient use of your Bosch MUZ5ZP1 Citrus Juicer attachment. This accessory is designed to work seamlessly with Bosch MUM5 series food processors, including models like MUM52120 and Styline MUM52120, to extract fresh juice from citrus fruits.

Key features of the MUZ5ZP1 Citrus Juicer include:

- Specifically designed as a citrus press for Bosch food processors.
- Efficiently extracts juice from various citrus fruits.
- Integrated sieve prevents pulp and pits from entering the juice.
- Features a pressing cone with a pulp overflow ring for optimal juicing.
- A tested and approved accessory ensuring compatibility and performance.

IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before using the appliance. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always ensure the food processor is switched off and unplugged before attaching or removing the citrus juicer.
- Keep hands and utensils away from moving parts during operation.
- Do not operate the appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- Only use genuine Bosch accessories with your food processor.

- Do not immerse the motor unit of the food processor in water or other liquids.

PARTS OVERVIEW

The Bosch MUZ5ZP1 Citrus Juicer attachment consists of several components designed for easy assembly and efficient juicing.

Image 1: The Bosch MUZ5ZP1 Citrus Juicer attachment. It features a transparent juice collection bowl, an orange reamer for pressing fruit, and an integrated sieve to separate pulp and seeds.

1. Juice Collection Bowl (Transparent)
2. Sieve (Orange, integrated into the bowl)
3. Pressing Cone / Reamer (Orange)
4. Drive Shaft (Connects to the food processor)

SETUP AND ASSEMBLY

Follow these steps to correctly assemble the citrus juicer onto your Bosch MUM5 food processor:

1. Ensure your Bosch MUM5 food processor is unplugged and switched off.
2. Place the juice collection bowl onto the designated attachment point of your food processor. This is typically the high-speed drive at the top of the appliance.
3. Gently twist the bowl until it locks securely into place.
4. Insert the orange pressing cone (reamer) into the center of the sieve within the juice collection bowl.
5. Verify that all parts are firmly seated before proceeding.

OPERATING INSTRUCTIONS

Once the citrus juicer is assembled, you can begin extracting juice:

1. Cut citrus fruits (oranges, lemons, grapefruits, limes) in half.
2. Plug in your Bosch MUM5 food processor and switch it on to a low to medium speed setting. Refer to your food processor's manual for recommended speed settings for juicing.
3. Take one half of a citrus fruit and press it firmly onto the rotating pressing cone.
4. Apply gentle, even pressure. The juice will flow through the sieve into the collection bowl, while pulp and seeds are retained.
5. Continue until all juice is extracted from the fruit half.
6. Repeat with remaining fruit halves.
7. Once juicing is complete, switch off and unplug the food processor.
8. Carefully remove the citrus juicer attachment from the food processor.

Tip: For best results, use fresh, room-temperature citrus fruits.

CLEANING AND MAINTENANCE

Proper cleaning ensures the longevity and hygiene of your citrus juicer attachment.

- **Before Cleaning:** Always ensure the food processor is unplugged and the citrus juicer attachment has been removed.
- **Disassembly:** Separate the pressing cone, sieve, and juice collection bowl.
- **Washing:** All removable parts of the Bosch MUZ5ZP1 Citrus Juicer are dishwasher safe. Alternatively, they can be washed by hand using warm soapy water and a soft brush.
- **Rinsing:** Rinse all parts thoroughly under running water to remove any soap residue.
- **Drying:** Allow all parts to air dry completely or dry them with a soft cloth before reassembling or storing.
- **Storage:** Store the clean and dry attachment in a safe place, away from direct sunlight and extreme temperatures.

Note: Do not immerse the main food processor unit in water. Clean its surface with a damp cloth.

TROUBLESHOOTING

If you encounter issues with your citrus juicer, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Juicer not operating.	Food processor not plugged in or switched on. Attachment not correctly assembled.	Ensure the food processor is plugged in and powered on. Reassemble the juicer attachment, ensuring it is securely locked.
Pulp or seeds in juice.	Sieve is clogged or not properly seated.	Check that the sieve is clean and correctly positioned within the juice collection bowl. Clean any blockages.

Problem	Possible Cause	Solution
Low juice yield.	Fruit is not fresh or firm enough. Insufficient pressure applied.	Use fresh, ripe citrus fruits. Apply firm, consistent pressure to the pressing cone.

If the problem persists, please refer to the support section or your Bosch MUM5 food processor's main manual.

PRODUCT SPECIFICATIONS

Image 3: Dimensions of the Bosch MUZ5ZP1 Citrus Juicer attachment.

Model Number	MUZ5ZP1
Brand	Bosch
Compatibility	Bosch MUM5 Food Processors (e.g., MUM52120, Styline MUM52120)

Recommended Use	Citrus fruits
Capacity	1 Litre (juice collection bowl)
Color	Translucent Orange
Material	High-quality plastic, Stainless Steel (drive shaft)
Item Weight	390 g
Dimensions (LxWxH)	17.5 x 17.5 x 9.5 Centimeters
Care Instructions	Dishwasher Safe (removable parts)

WARRANTY INFORMATION

This Bosch MUZ5ZP1 Citrus Juicer attachment is covered by the standard Bosch warranty applicable to accessories. Please refer to the warranty documentation provided with your Bosch MUM5 food processor for detailed terms and conditions.

Keep your purchase receipt as proof of purchase for any warranty claims.

For specific warranty duration and coverage, please consult the official Bosch website or contact Bosch customer service in your region.

CUSTOMER SUPPORT

For further assistance, spare parts, or service inquiries regarding your Bosch MUZ5ZP1 Citrus Juicer attachment or Bosch MUM5 food processor, please contact Bosch customer support.

- **Online Support:** Visit the official Bosch website for your region (e.g., www.bosch-home.com) for FAQs, product registration, and service contact information.
- **Telephone Support:** Refer to your food processor's main manual or the Bosch website for local customer service telephone numbers.

When contacting support, please have your product model number (MUZ5ZP1) and your food processor's model number (e.g., MUM52120) ready.
