## 5. MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your Vina Tote.

- **Cleaning:** For minor dirt or spills, gently wipe the exterior fabric and synthetic surfaces with a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the tote to air dry completely away from direct sunlight or heat sources. Do not machine wash or tumble dry.
- **Stain Removal:** For stubborn stains, a specialized fabric cleaner suitable for synthetic materials may be used, following the product's instructions. Test on an inconspicuous area first.
- **Storage:** When not in use, store the tote in a cool, dry place, preferably in a dust bag to protect it from dust and moisture. Avoid storing heavy items on top of the bag to prevent deformation.
- **Zipper Care:** Periodically check zippers for smooth operation. If a zipper becomes stiff, a small amount of zipper lubricant or wax can be applied.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Vina Tote.

- **Zipper Stuck:** Do not force a stuck zipper. Gently try to move the slider back and forth. If fabric is

caught, carefully pull it away from the zipper teeth. Applying a small amount of graphite from a pencil or zipper lubricant can help.

- **Bag Deformed:** If the bag loses its shape due to storage, gently stuff it with tissue paper or soft clothing to help it regain its form.
- **Minor Scratches/Scuffs:** For minor surface marks on synthetic areas, a soft cloth can sometimes buff them out. Avoid abrasive rubbing.
