

Hinkley 3200AN

Hinkley Hampton 3200AN Semi-Flush Mount Light Instruction Manual

Model: 3200AN | Brand: Hinkley

1. INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Hinkley Hampton 3200AN Medium Semi-Flush Mount Light. Please read all instructions carefully before beginning installation and retain this manual for future reference.

Image 1: Hinkley Hampton 3200AN Semi-Flush Mount Light with Antique Nickel finish and off-white linen shade.

The Hinkley Hampton 3200AN is a 3-light semi-flush mount fixture featuring a drum-style off-white linen hardback shade and an acrylic etched lens diffuser, all complemented by an elegant Antique Nickel finish. Its modern transitional design offers a sophisticated aesthetic suitable for various indoor settings.

2. SAFETY INFORMATION

WARNING: Risk of electric shock. Disconnect power at the fuse box or circuit breaker before installation or servicing.

- All electrical connections must be in accordance with local codes, ordinances, and the National Electric Code (NEC) or Canadian Electrical Code (CEC).
- Consult a qualified electrician if you are unsure about the installation process.
- This fixture is suitable for dry (indoor) locations only.
- Do not exceed the maximum wattage specified for the bulbs.
- Ensure the fixture is securely mounted to a structural element of the ceiling.

3. PACKAGE CONTENTS

Carefully unpack your fixture and inspect for any damage. Keep all packaging materials until you are certain the fixture is fully assembled and operational.

- Hampton Semi-Flush Mount Light Fixture Assembly
- Off-White Linen Hardback Shade

- Acrylic Etched Lens Diffuser
- Mounting Hardware Kit (includes mounting bracket, screws, wire nuts)
- Instruction Manual

4. SETUP AND INSTALLATION

Before installation, ensure the power is turned off at the circuit breaker. Follow these steps for proper installation:

1. **Prepare the Mounting Surface:** Ensure the electrical box is securely mounted and capable of supporting the fixture's weight (approximately 6 lbs).
2. **Attach Mounting Bracket:** Secure the mounting bracket to the electrical box using the provided screws.
3. **Make Electrical Connections:** Connect the fixture's wires to the corresponding household wires using the provided wire nuts. Connect black to black (live), white to white (neutral), and ground to ground. Ensure all connections are secure.
4. **Mount the Fixture:** Carefully lift the fixture and align it with the mounting bracket. Secure the fixture to the bracket using the provided screws or decorative nuts.
5. **Install Light Bulbs:** The fixture requires three 14W Medium LED bulbs (not included). Reach over the top of the shade to screw in the bulbs.

Your browser does not support the video tag.

Video 1: Demonstration of light bulb installation and close-up of the fixture's fabric shade and bronze accents. This video highlights the ease of bulb replacement and the quality of the materials.

6. **Attach Diffuser and Shade:** Place the acrylic etched lens diffuser into the bottom of the shade, then secure the off-white linen hardback shade to the fixture according to the specific design.
7. **Restore Power:** Once installation is complete, restore power at the circuit breaker and test the light fixture.

5. OPERATING INSTRUCTIONS

The Hinkley Hampton 3200AN light fixture operates via a standard wall switch (not included). It is designed to be dimmable, provided you use dimmable LED bulbs and a compatible dimmer switch (sold separately).

Bulb Replacement

To replace bulbs, ensure the power is off at the switch and circuit breaker. Allow bulbs to cool before handling. Reach over the top of the shade to unscrew and replace the bulbs. Use only three 14W Medium LED bulbs.

6. CARE AND MAINTENANCE

To maintain the appearance of your Hinkley Hampton 3200AN fixture, follow these guidelines:

- **Cleaning:** Wipe the fixture with a soft, dry cloth. Do not use abrasive cleaners, polishes, or solvents, as these may damage the finish.
- **Shade Care:** The off-white linen shade can be gently dusted with a soft brush or vacuumed with a brush attachment. Avoid getting the shade wet.
- **Diffuser Care:** The acrylic diffuser can be wiped with a soft, damp cloth.

Image 2: Close-up view of the fixture's off-white linen shade and antique nickel finish, illustrating the texture and material.

7. TROUBLESHOOTING

If your fixture is not functioning correctly, consult the following common issues:

- **Light does not turn on:**
 - Check if the power is on at the wall switch and circuit breaker.
 - Ensure bulbs are securely screwed in and are not burnt out.
 - Verify electrical connections are secure.
- **Flickering lights:**
 - Ensure bulbs are fully tightened.
 - If using a dimmer, ensure both the bulbs and the dimmer switch are compatible with each other.
- **Humming noise:**
 - Some LED bulbs or dimmer switches may produce a slight hum. Try different bulbs or a different dimmer.

If issues persist, consult a qualified electrician.

8. SPECIFICATIONS

Feature	Detail
Brand	Hinkley
Model Name	Hampton
Model Number	3200AN
Finish	Antique Nickel
Shade Material	Off-White Linen Hardback
Diffuser Material	Acrylic Etched Lens
