SYLVANIA V24329-88

SYLVANIA V24329-88 9-Inch Battery Operated Flickering LED Candle User Manual

Model: V24329-88

1. PRODUCT OVERVIEW

The SYLVANIA V24329-88 is a 4-pack of 9-inch battery-operated flickering LED candles. These candles feature an orange LED light with a gold base, designed to provide ambient lighting. They include a built-in timer function, operating for 8 hours and then turning off for 16 hours. Each candle requires two "AA" batteries (not included) and can last up to 50 days on a single set of batteries.

Image 1.1: A set of four SYLVANIA V24329-88 LED candles. These candles are designed for indoor use and feature a realistic flickering effect.

2. SAFETY INFORMATION

- **Indoor Use Only:** These candles are designed for indoor use. Do not expose to water or outdoor elements.
- **Battery Safety:**
 - Use only the specified battery type (2 "AA" batteries per candle).
 - Do not mix old and new batteries, or different types of batteries.
 - Insert batteries with correct polarity (+/-).
 - Remove exhausted batteries promptly.
 - If the product is not used for an extended period, remove batteries to prevent leakage.
 - Keep batteries out of reach of children.
- **Placement:** Place candles on a stable, flat surface to prevent tipping.
- **Heat:** Although LED lights do not generate significant heat, avoid placing candles near heat sources or in direct sunlight for prolonged periods.

3. PACKAGE CONTENTS

Your package should contain the following items:

- 4 x SYLVANIA 9-inch Battery Operated Flickering LED Candles (Model: V24329-88)

Note: "AA" batteries are not included and must be purchased separately.

4. SETUP: BATTERY INSTALLATION

Follow these steps to install batteries into your LED candles:

1. Locate the battery compartment at the bottom of each candle.
2. Gently twist or slide open the battery compartment cover.
3. Insert two (2) "AA" batteries into the compartment, ensuring the correct polarity (+ and -) as indicated inside the compartment.
4. Replace the battery compartment cover securely.
5. Repeat for all four candles.

Your candles are now ready for operation.

5. OPERATING INSTRUCTIONS

The SYLVANIA V24329-88 LED candles feature a simple slide switch for operation and a built-in timer function.

5.1 Power On/Off

Locate the slide switch on the bottom of the candle. Slide the switch to the "ON" position to activate the candle. Slide it to the "OFF" position to turn it off manually.

5.2 Timer Function

These candles are equipped with an automatic 8-hour timer. Once you turn the candle "ON" at your desired time, it will:

- Stay illuminated for 8 hours.
- Automatically turn off for the next 16 hours.
- Turn back on at the same time it was initially activated, repeating the 8-hour on / 16-hour off cycle daily.

To reset the timer, simply slide the switch to "OFF" and then back to "ON" at your new desired start time.

6. MAINTENANCE

6.1 Cleaning

To clean your LED candles, gently wipe them with a soft, dry cloth. Do not use abrasive cleaners or immerse the candles in water.

6.2 Battery Replacement

When the light dims or the flickering effect becomes inconsistent, it is time to replace the batteries. Follow the battery installation steps in Section 4. Setup. For optimal performance, replace all two "AA" batteries in a candle at the same time.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Candle does not light up.	Batteries are inserted incorrectly. Batteries are depleted. Switch is in "OFF" position.	Check battery polarity (+/-). Replace with fresh "AA" batteries. Slide switch to "ON".
Light is dim or flickers inconsistently.	Batteries are low.	Replace with fresh "AA" batteries.
Timer function is not working correctly.	Candle was turned on at an unexpected time. Batteries are low.	Turn the candle "OFF" and then "ON" again at your desired start time to reset the 8-hour cycle. Replace with fresh "AA" batteries.

8. SPECIFICATIONS

- **Model Number:** V24329-88
- **Dimensions (each candle):** 3.75"D x 3.75"W x 9.5"H
- **Item Weight (each candle):** Approximately 6.4 ounces
- **Power Source:** 2 x "AA" batteries (per candle, not included)
- **Battery Life:** Up to 50 days (approx. 650 hours of illumination)
- **Light Source Type:** LED
- **Light Color:** Orange / Amber
- **Special Features:** Flickering effect, 8-hour ON / 16-hour OFF timer, Not Dimmable
