Zadro LEDW

Zadro 11" LED Wall Mounted Makeup Mirror 10X/1X

INSTRUCTION MANUAL

Model: LEDW | Brand: Zadro

Introduction

The Zadro 11" LED Wall Mounted Makeup Mirror is designed to provide a clear and illuminated reflection for various personal grooming needs. Featuring dual-sided optical quality glass, it offers 10X magnification for detailed tasks and 1X magnification for general viewing. The energy-saving LED lighting ensures optimal illumination without harshness. This mirror can be operated cordlessly with batteries or via the included power adapter, offering flexible installation options.

Important Safety Information

WARNING: Exposure to direct sunlight may cause fire. Use with caution. The adapter does not charge batteries; batteries are not rechargeable, and the charger will not charge rechargeable batteries. Batteries will not charge with the wall plug.

Package Contents

- Zadro 11" LED Wall Mounted Makeup Mirror (Model LEDW)
- Power Adapter
- Mounting Hardware (screws, anchors)
- Instruction Manual

Setup and Installation

This mirror is designed for wall mounting. Ensure you select a suitable location with adequate wall support. The mirror can be powered by 4 C batteries (not included) for cordless operation or by the included power adapter for continuous power.

Mounting the Mirror

1. Identify the desired mounting location on a sturdy wall surface.
2. Use the provided mounting hardware to securely attach the base plate to the wall.
3. Attach the mirror arm assembly to the mounted base plate.

Operating Instructions

Magnification

- The mirror features dual-sided optical quality glass.
- One side provides **10X magnification**, ideal for detailed tasks such as applying makeup, tweezing, or shaving.
- The other side offers **1X magnification** for a full, true-to-life view, perfect for general hairstyling and overall grooming.
- To switch between magnifications, rotate the mirror head 270 degrees.

LED Lighting

- The mirror is equipped with energy-saving LED lighting.
- Locate the on/off switch on the mirror's base or frame to activate the light.
- The LEDs provide bright illumination (227.036 lux) to enhance visibility.

Adjustable Arm and Rotation

- The mirror features an extendable arm that reaches up to 12 inches from the wall, allowing for flexible positioning.
- The mirror head can be rotated 270 degrees to easily switch between the 1X and 10X magnification sides.

- When not in use, the arm can be folded back against the wall to save space.

LED LIGHTED MIRROR ROTATES 360°

Power Options

The Zadro LED Wall Mounted Makeup Mirror offers versatile power options:

- **Cordless Operation:** The mirror can be powered by 4 C batteries (not included). This allows for flexible placement without the need for a nearby electrical outlet.
- **Corded Operation:** An AC power adapter is included for continuous power. Simply plug the adapter into the mirror and a standard wall outlet.

The energy-saving LED lighting consumes up to 70% less electricity than traditional bulbs, making it an efficient choice regardless of the power source.

Maintenance and Care

- To clean the mirror surface, use a soft, damp cloth and a mild glass cleaner. Avoid abrasive cleaners or

harsh chemicals that may damage the finish.

- For the mirror frame and arm, wipe with a soft, dry cloth.
- Ensure the mirror is turned off before cleaning.
- If using batteries, replace all 4 C batteries simultaneously when the light dims to ensure consistent performance.

Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on	No power (batteries or adapter)	Check battery installation/charge. Ensure power adapter is securely plugged in.
Light is dim	Low battery power	Replace batteries or use the power adapter.
Mirror is unstable	Loose mounting hardware	Tighten mounting screws on the base plate.

Specifications

- **Brand:** Zadro
- **Model Number:** LEDW
- **Product Dimensions:** 14.5" L x 11" W
- **Mirror Head Size:** 9 x 9 inches
- **Reflective Surface Size:** 7 x 7 inches
- **Arm Extension:** Extends 12 inches from the wall
- **Magnification:** 10X / 1X (Dual-sided)
- **Lighting:** LED (227.036 lux brightness)
- **Power Source:** 4 C batteries (not included) or AC power adapter (included)
- **Material:** Glass, Metal
- **Finish Type:** Brushed (Satin Nickel)
- **Item Weight:** 2.2 Pounds
- **Assembly Required:** Yes
- **UPC:** 705004419475
