To begin enjoying your Avatar (Extended Collector's Edition) Blu-ray set, follow these simple steps:

1. **Unpack the Set:** Carefully remove the three Blu-ray discs from their packaging. Ensure discs are free from dust or smudges.
2. **Insert Disc:** Insert Disc 1 (Movie Versions) into your Blu-ray player.
3. **Power On:** Turn on your Blu-ray player and television.
4. **Select Input:** Select the correct HDMI input on your television for your Blu-ray player.

OPERATING INSTRUCTIONS

This Blu-ray set features three discs, each containing unique content. Navigate through the menus to access the desired features.

Disc 1: Three Movie Versions

This disc contains three distinct versions of the film:

- **Original Theatrical Edition:** The version released in cinemas. Includes an optional family audio track with objectionable language removed.
- **Special Edition Re-Release:** An extended version with additional scenes. Includes an optional family audio track with objectionable language removed.
- **Collector's Extended Cut:** The most comprehensive version, featuring 16 additional minutes, including an alternate opening on Earth.

To select a version, navigate to the "Setup" or "Film Selection" menu on Disc 1. The Collector's Extended Cut includes all scenes from the other versions plus its unique additions.

Disc 2: Filmmaker's Journey

Explore the creative process behind Avatar with over eight hours of bonus features:

- **Deleted Scenes:** Over 45 minutes of never-before-seen deleted scenes, some of which add significant context to the storyline.
- **Capturing Avatar:** A feature-length documentary detailing the 16-year journey of the filmmakers, including interviews with James Cameron, Jon Landau, and the cast and crew.
- **A Message from Pandora:** Documenting James Cameron's visit to the Amazon rainforest.
- **Production Material:** Includes the 2006 art reel, original motion capture tests, visual effects reels, actor screen tests (Sam Worthington, Zoë Saldana), makeup session footage, on-set filming footage, VFX progressions, and crew films.

Disc 3: Pandora's Box

Dive deeper into the world of Pandora and the film's production with interactive and detailed content:

- **Interactive Scene Deconstruction:** Explore 17 different scenes through three viewing modes (capture level, template level, final level) with picture-in-picture reference.
- **Production Featurettes:** Detailed segments on various aspects of the film's creation, such as Sculpting Avatar, Creating the Banshee, The AMP Suit, Speaking Na'vi, Performance Capture, and more.
- **Avatar Original Script & Screenplay:** Access to the film's original script and James Cameron's screenplay.
- **Pandorapedia:** A comprehensive guide to the world of Pandora.
- **The Art of Avatar:** Over 1,850 images across 16 themed galleries, showcasing concept art, creature designs, flora, and more.
- **BD-Live Extras:** Additional content available via a BD-Live enabled player and internet connection (availability may vary).

MAINTENANCE

Proper care will ensure the longevity and optimal performance of your Blu-ray discs:

- Handling:** Always hold discs by their edges or by placing a finger through the center hole. Avoid touching the playback surface.
- Cleaning:** If a disc becomes dirty, gently wipe it with a soft, lint-free cloth (e.g., microfiber) from the center outwards. Do not use abrasive materials or harsh chemicals.
- Storage:** Store discs in their original case, away from direct sunlight, extreme temperatures, and high humidity.
- Avoid Scratches:** Do not stack discs without their cases or place them on rough surfaces.

TROUBLESHOOTING

If you encounter issues while using your Blu-ray set, consider the following common solutions:

Problem	Possible Cause	Solution
Disc will not play or skips	Dirty or scratched disc; player compatibility issue.	Clean the disc with a soft cloth. Check if your player supports Blu-ray discs. Try the disc in another Blu-ray player if available.
No audio or video	Incorrect TV input; loose cables; player settings.	Ensure your TV is on the correct HDMI input. Check all cable connections (HDMI, audio). Verify player audio/video settings.
Cannot access bonus features	Incorrect disc inserted; menu navigation error.	Ensure you have inserted Disc 2 or Disc 3. Navigate through the disc menu to find the "Special Features" or "Bonus Content" section.
