### 3. SETUP AND HANDLING

Upon receiving your Dark Magician Girl Ultra Rare card, it is recommended to handle it with care to preserve its condition. This card is a collectible item and can be susceptible to damage from improper handling.

#### 3.1 Initial Inspection

- Carefully remove the card from its packaging.
- Inspect the card for any manufacturing defects or shipping damage.
- Note the card's rarity (Ultra Rare) and its unique Japanese text.

#### 3.2 Storage Recommendations

To maintain the card's pristine condition, store it in a protective sleeve and a top-loader or a binder with acid-free pages. Keep the card away from direct sunlight, extreme temperatures, and high humidity to prevent warping, fading, or other damage.

### 4. OPERATING (GAMEPLAY USAGE)

The Dark Magician Girl (YAP1-JP006) is an Effect Monster card in the Yu-Gi-Oh! Trading Card Game. Its primary function in gameplay is to gain Attack (ATK) points based on other specific monsters in the Graveyard.

#### 4.1 Card Effect

**Effect:** Gains 300 ATK for every "Dark Magician" or "Magician of Black Chaos" in the Graveyards.

- This effect is continuous and applies as long as Dark Magician Girl is face-up on the field.
- The ATK gain is calculated based on the total number of "Dark Magician" and "Magician of Black Chaos" monsters in *both* players' Graveyards.
- This card can be Normal Summoned or Set without Tributes, as it is a Level 6 monster.

#### 4.2 Integration with Decks

Dark Magician Girl is typically used in "Dark Magician" themed decks, where other cards support its summoning,

protection, and synergy with "Dark Magician" monsters. Consult official Yu-Gi-Oh! rulebooks and current ban lists for up-to-date gameplay rules and restrictions.

## 5. MAINTENANCE AND CARE

---

Proper maintenance ensures the longevity and value of your collectible card.

- **Cleaning:** Use a soft, dry, lint-free cloth to gently wipe any dust or smudges from the card surface. Avoid using liquids or abrasive materials.
- **Handling:** Always handle the card by its edges to avoid leaving fingerprints or creases on the surface.
- **Protection:** Keep the card in a protective sleeve and top-loader or a secure binder at all times when not in use or on display.

## 6. TROUBLESHOOTING COMMON ISSUES

---

While collectible cards are generally robust, certain issues can arise. Here are some common concerns and their resolutions:

### 6.1 Card Bending or Warping

If the card begins to bend or warp, it is often due to changes in humidity or temperature. Store the card in a stable environment, ideally within a protective sleeve and a rigid top-loader or screw-down case, to help flatten it over time. Avoid placing heavy objects directly on the card.

### 6.2 Fading Artwork

Fading is typically caused by prolonged exposure to direct sunlight or strong artificial light. Always store and display your card away from direct light sources. UV-protective sleeves can offer additional protection.

### 6.3 Surface Scratches

Minor scratches can occur from improper handling or storage. Always use protective sleeves and avoid sliding the card across rough surfaces. Deep scratches are generally irreversible.

## 7. WARRANTY AND SUPPORT

---

As a collectible trading card, the Konami Yu-Gi-Oh! YAP1-JP006 Dark Magician Girl Ultra Rare does not typically come with a manufacturer's warranty for wear and tear or damage incurred during play or handling. Its value is primarily determined by its condition and rarity.
