DaVinci Cameron 4-in-1 Convertible Crib Instruction Manual

Model: 048517007822 PARENT | Brand: DaVinci

PRODUCT OVERVIEW

This manual provides essential information for the safe and proper assembly, use, and maintenance of your DaVinci Cameron 4-in-1 Convertible Crib with Under Drawer. Designed to adapt to your child's growth, this crib converts from a standard crib to a toddler bed (toddler rail included) and then to a full-size bed (conversion rails sold separately). It also features a convenient under-drawer for storage.

Image: A general representation of the DaVinci Cameron 4-in-1 Convertible Crib, illustrating its overall design. Please note that this image serves as a visual placeholder and may not depict specific details of the product.

SETUP AND ASSEMBLY

The DaVinci Cameron crib requires assembly. Please ensure all components are present before beginning. Refer to the separate assembly guide provided with your product for detailed step-by-step instructions.

Key Components Included:

- Crib frame and panels
- Mattress support
- Toddler rail for conversion to toddler bed
- Under drawer assembly

Note: Full-size bed conversion rails (M5789) are sold separately and are required for converting the crib into a full-size bed.

OPERATING INSTRUCTIONS

Mattress Height Adjustment:

The crib features adjustable mattress support to accommodate your child's growth. Always use the lowest mattress position once your child can pull themselves to a standing position.

Conversion to Toddler Bed:

To convert the crib to a toddler bed, remove the front rail and install the included toddler rail according to the

assembly instructions.

Conversion to Full-Size Bed:

To convert the crib to a full-size bed, remove both front and back rails and attach the separately sold full-size bed conversion rails (M5789) to the headboard and footboard.

Under Drawer Usage:

The integrated under drawer provides convenient storage for bedding or other nursery essentials. Ensure the drawer slides smoothly and is not overloaded.

MAINTENANCE AND CARE

Cleaning:

Clean the crib regularly with a soft, damp cloth. Avoid abrasive cleaners or strong chemicals, as they may damage the finish.

Safety Checks:

Periodically inspect all screws, bolts, and fasteners to ensure they are tight and secure. Do not overtighten. Check for any broken, loose, or missing parts. Discontinue use of the crib if any parts are damaged or missing. Ensure the mattress support is securely in place at all times.

Material Information:

The crib is constructed from sustainable New Zealand pine with non-toxic finishes, ensuring safety and reliability.

TROUBLESHOOTING

Common Issues:

Loose Parts: If parts feel loose, re-tighten all screws and bolts. Do not overtighten.

Squeaking: Check all connections and ensure they are secure. A small amount of lubricant on metal-to-metal connections (if applicable and safe for children's products) may help, but consult manufacturer guidelines first.

Drawer Sticking: Ensure the under drawer is properly aligned on its tracks and not overloaded. Remove any obstructions.

If you encounter issues not covered here or require further assistance, please refer to the Warranty and Support section for contact information.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	DaVinci
Material	Pine
Furniture Finish	Pine
Item Weight	85.5 Pounds
Maximum Weight Recommendation	50 Pounds

Feature	Detail
Manufacturer	DaVinci
Product Dimensions	58.25 x 31 x 51.25 inches
Item model number	048517007822 PARENT
Is Discontinued By Manufacturer	No
Minimum weight recommendation	5 Pounds
Material Type	Pine
ASIN	B0046RDVWM
