SETUP

Upon receiving your Roberto Cavalli Love Just Her Eau de Toilette, carefully remove it from its packaging. Inspect the bottle and spray mechanism for any signs of damage. Ensure the cap is securely in place before storage or use.

OPERATING INSTRUCTIONS

Follow these steps for optimal application of your Eau de Toilette:

- 1. Prepare the skin:** For best results, apply the fragrance to clean, dry skin.
- 2. Target pulse points:** Spray the Eau de Toilette onto pulse points such as the wrists, neck, behind the ears, and décolletage. These areas generate heat, which helps to diffuse the scent.
- 3. Hold at a distance:** Hold the bottle approximately 15-20 cm (6-8 inches) away from your skin when spraying.
- 4. Spray once or twice:** One to two sprays are typically sufficient. Avoid over-application.
- 5. Do not rub:** After spraying, allow the fragrance to air dry naturally. Rubbing the skin can alter the scent's composition and reduce its longevity.

STORAGE AND MAINTENANCE

Proper storage and maintenance will help preserve the quality and longevity of your fragrance:

- **Store in a cool, dark place:** Keep the bottle away from direct sunlight, extreme temperatures, and humidity. A drawer or cabinet is ideal.
- **Keep upright:** Always store the bottle in an upright position to prevent leakage.
- **Secure the cap:** Ensure the cap is tightly closed after each use to prevent evaporation and contamination.
- **Avoid shaking:** Excessive shaking can introduce air into the bottle, potentially affecting the fragrance.
- **Cleaning:** If the bottle or spray nozzle becomes dusty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

SAFETY INFORMATION

Observe the following safety precautions:

- **For external use only:** Do not ingest.
- **Avoid contact with eyes:** In case of contact, rinse immediately with plenty of water. If irritation persists, seek medical advice.
- **Flammable:** Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking.
- **Keep out of reach of children:** Store the product in a location inaccessible to children and pets.
- **Skin sensitivity:** Discontinue use if skin irritation or rash occurs. Consult a doctor if symptoms persist.
- **Allergies:** If you have known allergies to fragrance ingredients, review the product's ingredient list before use.

TROUBLESHOOTING

- **Spray nozzle clogged:** If the spray nozzle is clogged, gently wipe it with a damp cloth. If it remains clogged, try priming the pump by spraying several times into the air.
- **Scent not lasting:** Fragrance longevity can vary based on skin type, climate, and application method. Ensure you are applying to pulse points and not rubbing the skin after application. Consider moisturizing your skin before applying fragrance.
- **Bottle leakage:** Ensure the cap is securely fastened after each use and the bottle is stored upright. If leakage

persists, contact customer support.
