2. PRODUCT FEATURES

- **Transitional Style:** Designed to blend with various decor themes.
- **Compact Dimensions:** Table measures approximately 28 inches wide by 16 inches deep by 50 inches high.
- **Easy Assembly:** Designed for straightforward home assembly.
- **Elegant Finish:** Features a clean white finish with a comfortable beige upholstered seat.
- **Matching Stool:** Stool measures approximately 18.25 inches wide by 14.25 inches deep by 16.75 inches high.
- **Sturdy Construction:** Straight tapered leg bases on all pieces ensure stability.
- **Functional Storage:** Includes a convenient drawer for organizing essentials.
- **Tilting Mirror:** The mirror can be adjusted for optimal viewing angles.

3. SETUP INSTRUCTIONS

This vanity table and stool set is designed for easy home assembly. Please follow these general steps. A Phillips head screwdriver may be required (not included).

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components and hardware are present against the included parts list.
2. **Assemble Table Base:** Attach the legs to the main table frame using the provided hardware. Ensure all connections are secure but do not overtighten until the entire frame is assembled.
3. **Install Drawer:** Slide the drawer into its designated slot. Ensure it moves smoothly.
4. **Attach Mirror Supports:** Secure the mirror supports to the back of the table. If screw holes do not align perfectly, slightly loosen the decorative screws holding the mirror to its supports to allow for minor adjustments, then tighten all screws once aligned.
5. **Attach Mirror:** Carefully place the mirror onto its supports and secure it with the provided hardware.
6. **Assemble Stool:** Attach the legs to the stool seat using the provided hardware. Ensure all connections are firm.
7. **Final Tightening:** Once all components are in place, gently tighten all screws and bolts to ensure stability. Avoid excessive force to prevent damage to the wood.

4. OPERATING INSTRUCTIONS

- **Using the Drawer:** The vanity table includes a single drawer for storage. Pull the knob gently to open and push to close. Avoid forcing the drawer to prevent damage to the slides.
- **Adjusting the Mirror:** The mirror is designed to tilt. Gently grasp the sides of the mirror frame and adjust it to your desired angle. Ensure it is stable before use.
- **Using the Stool:** The accompanying stool is designed for comfortable seating while using the vanity. Ensure the stool is placed on a flat, stable surface before sitting.

5. MAINTENANCE

- **Cleaning:** Wipe the vanity table and stool surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spill Management:** In case of spills, wipe immediately with a dry cloth to prevent staining or damage to the wood and upholstery.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability, but avoid overtightening.
- **Upholstery Care:** For the beige seat, spot clean with a mild fabric cleaner if necessary. Test on an inconspicuous area first.

6. TROUBLESHOOTING

- **Wobbly Table or Stool:**

Solution: Ensure all assembly screws and bolts are fully tightened. If the issue persists, disassemble and reassemble, carefully following the instructions to ensure all parts are correctly aligned and secured. Avoid excessive force to prevent damage to the wood.

- **Drawer Sticking or Not Sliding Smoothly:**

Solution: Check for any obstructions in the drawer slides. Ensure the drawer is correctly seated on its runners. If the drawer slides are wood-on-wood, applying a small amount of furniture wax or silicone spray to the contact surfaces can improve smoothness.

- **Mirror Supports Not Aligning:**

Solution: During assembly, if the mirror supports do not align with the table base screw holes, try slightly loosening the decorative screws that attach the mirror to its vertical supports. This allows for minor play to align the main support screws. Once aligned, tighten all screws.

- **Damaged or Missing Parts Upon Arrival:**

Solution: If any parts are damaged or missing when you unpack the product, do not proceed with assembly. Contact the retailer or manufacturer's customer support immediately for assistance with replacements.
