Febreze Air Effects Spring and Renewal Aerosol User Manual

Model: 45536 | Brand: Febreze

INTRODUCTION

The Febreze Air Effects Spring and Renewal 9.7oz Aerosol is designed to eliminate staleness and odors in the air, leaving a clean, fresh scent. This product effectively knocks out unpleasant aromas with a single spray, providing a refreshing atmosphere in your home or office.

This product features a Spring & Renewal scent and is formulated with 100% natural propellants. It is free from dyes, phthalates, formaldehyde, and flammable propellants.

SAFETY INFORMATION

WARNINGS:

- Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse. For more information, visit www.inhalant.org.
- Some hard surfaces may become damp when sprayed. Avoid slips or falls.
- Keep out of reach of children and pets.
- Do not spray toward face. If eye contact occurs, rinse well with water. If irritation persists, get medical attention.
- Do not expose to heat or open flame, or store at temperatures above 120°F (49°C).
- Dispose of properly. Do not puncture or incinerate container. Do not reuse.
- Safe to use around cats and dogs. As with other air care products, not for use around birds.
- CFC-Free: Federal regulations prohibit the use of CFCs in aerosol products.

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

SETUP

Before first use, ensure the product is stored at room temperature and away from direct heat sources. No assembly is required for this aerosol product.

OPERATING INSTRUCTIONS

1. Hold the can upright.
2. Pull the trigger back firmly.
3. Spray the air in a sweeping motion throughout the entire room to effectively eliminate odors and freshen the space.

Image: Febreze Air Effects can be used to freshen various areas of your home, including living rooms, kitchens, and bathrooms.

Image: Febreze Air Effects truly eliminates odors rather than just masking them, providing a clean and fresh environment.

MAINTENANCE

This product requires minimal maintenance. Ensure the nozzle is clear before each use. After use, store the can in a cool, dry place, away from direct sunlight and temperatures above 120°F (49°C). Do not store in a vehicle.

If any hard surfaces become damp from spraying, wipe them dry immediately to avoid slips or falls.

TROUBLESHOOTING

If the product does not spray, ensure the nozzle is not clogged. If the can is empty, dispose of it properly according to local regulations. No other specific troubleshooting steps are typically required for this type of product.
