Zenna Home 9119W

Zenna Home Over-The-Toilet Bathroom Spacesaver Instruction Manual

Model: 9119W

1. PRODUCT OVERVIEW

The Zenna Home Over-The-Toilet Bathroom Spacesaver is designed to maximize storage in your bathroom by utilizing the often-unused space above your toilet. This cottage-style organizer features three bath storage shelves, providing a practical and aesthetically pleasing solution for decluttering and organizing your bath area.

2. KEY FEATURES

- **Space-Saving Design:** Efficiently utilizes the vertical space above standard toilet tanks, ideal for smaller bathrooms.
- **Ample Storage:** Features two open shelves for display and easy access, plus one concealed shelf behind cabinet doors for discreet storage of toiletries and other items.
- **Durable Construction:** Made of MDF (Medium Density Fiberboard) and Particle Board, ensuring stability and longevity.
- **Elegant Aesthetic:** White finish with wood door pulls and decorative wainscoting complements various bathroom decors.
- **Easy Assembly:** Designed for straightforward assembly with clear, illustrated instructions.

- **Toilet Clearance:** Provides 30.5 inches of clearance from the ground, fitting over most standard toilets. Optional leg extensions (Model 9319WKT/ASIN: B07JHV8WGN) are available for taller toilets, adding an additional 4.5 inches of clearance.

3. ASSEMBLY INSTRUCTIONS

This spacesaver is designed for easy assembly. Please follow the detailed, illustrated step-by-step instructions provided in the packaging to ensure correct and secure setup. All necessary hardware is included.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in your instruction manual to ensure nothing is missing or damaged.
2. **Prepare Workspace:** Assemble the unit on a clean, flat, and soft surface (e.g., a blanket or carpet) to prevent scratches or damage to the parts.
3. **Assemble Frame:** Follow the instructions to connect the side panels and crossbars, forming the main frame of the spacesaver.
4. **Install Shelves:** Secure the fixed and adjustable shelves into their designated positions.
5. **Attach Doors:** Mount the cabinet doors using the provided hinges. Ensure they open and close smoothly. *Tip: Attach door knobs before installing doors for easier handling.*
6. **Position Over Toilet:** Carefully lift and position the assembled spacesaver over your toilet. Ensure the bottom shelf clears the toilet tank (30.5 inches clearance required).
7. **Secure Unit:** For enhanced stability and safety, it is highly recommended to secure the unit to the wall using the included anti-tipping hardware.

4. USAGE AND OPERATION

The Zenna Home Spacesaver provides versatile storage options for your bathroom essentials:

- **Open Shelves:** Utilize the top and middle open shelves for displaying decorative items, storing frequently used toiletries, or keeping extra toilet paper rolls easily accessible.
- **Concealed Cabinet:** The two-door cabinet offers discreet storage for medications, cleaning supplies, or personal items, keeping your bathroom tidy and organized.

5. CARE AND MAINTENANCE

To maintain the appearance and longevity of your Zenna Home Spacesaver, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Moisture:** While designed for bathroom environments, minimize prolonged exposure to excessive moisture to prevent warping or damage to the wood materials.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

If you encounter any issues with your spacesaver, consider the following common solutions:

- **Unit Instability:**
 - Ensure all assembly screws are fully tightened.
 - Verify the unit is placed on a level surface.
 - Confirm the anti-tipping hardware is securely installed to the wall.
- **Doors Not Aligning:**
 - Check that hinges are correctly installed and tightened.
 - Adjust hinges if they allow for minor alignment corrections.
- **Missing Parts:**
 - Refer to the parts list in your assembly manual. If parts are missing, contact customer support.

7. PRODUCT SPECIFICATIONS

Attribute	Detail
