SMEDBO BX1096

SMEDBO Self Adhesive Quad Hook Matt White - Instruction Manual

Model: BX1096

Product Overview

The SMEDBO Self Adhesive Quad Hook in Matt White (Model BX1096) is designed for convenient and secure wall mounting without the need for drilling. This utility hook features four individual hooks on a single base, providing ample hanging space for various items. Its self-adhesive backing ensures easy installation on smooth, clean surfaces.

Setup and Installation

Proper installation is crucial for the optimal performance and longevity of your self-adhesive hook. Follow these steps carefully:

1. **Surface Preparation:**
   - Choose a smooth, non-porous surface such as tile, glass, metal, or smooth painted walls. Avoid textured, porous, or wallpapered surfaces.
   - Clean the chosen surface thoroughly with a mild cleaner and water. Ensure all dirt, dust, grease, and soap residue are removed.
   - Allow the surface to dry completely before proceeding. Any moisture will compromise the adhesive bond.
2. **Positioning:**
   - Carefully determine the exact desired location for the hook. Once applied, repositioning may weaken the adhesive.
   - Use a pencil to lightly mark the top edge or corners of where the hook will be placed, if necessary, to ensure it is level.

3. **Adhesive Application:**
   - Peel off the protective backing from the adhesive strip on the back of the hook. Avoid touching the adhesive surface with your fingers.
   - Align the hook with your marked position on the wall.
   - Press the hook firmly against the surface for at least 30 seconds, applying even pressure across the entire base.
4. **Curing Time:**

   Allow the adhesive to cure for a minimum of **24 hours** before hanging any items on the hooks. This allows the adhesive to achieve maximum bond strength. Failure to observe the curing time may result in the hook detaching from the surface.

Operating Instructions

Once installed and cured, the SMEDBO Self Adhesive Quad Hook is ready for use.

- **Weight Capacity:** The hook is designed to hold lightweight items. The maximum recommended weight is **5 pounds (approximately 2.27 kg)**. Do not exceed this weight limit to prevent the hook from detaching or damaging the surface.
- **Suitable Items:** Ideal for hanging towels, robes, lightweight coats, keys, kitchen utensils, and other small household items.
- **Even Distribution:** For items with multiple hanging points, distribute the weight evenly across the hooks if possible.

Maintenance and Care

To maintain the appearance and functionality of your SMEDBO hook, follow these simple care instructions:

- **Cleaning:** Clean the hook regularly with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or strong chemical solvents, as these can damage the matte white finish and the adhesive.
- **Drying:** After cleaning, wipe the hook dry with a clean, soft cloth to prevent water spots.

Troubleshooting

If you encounter issues with your self-adhesive hook, consider the following:

- **Hook is not sticking or falls off:**
  - Ensure the surface was thoroughly cleaned and completely dry before application.
  - Verify the surface is smooth and non-porous. Adhesive hooks are not suitable for textured or porous surfaces.
  - Confirm that the hook was pressed firmly for the recommended duration during installation.
  - Ensure the 24-hour curing time was observed before hanging items.
  - Check if the weight limit of 5 pounds has been exceeded.
- **Adhesive residue left on surface upon removal:**
  - Gently peel the hook off the surface.
  - Any remaining adhesive can often be removed with rubbing alcohol or a specialized adhesive remover, following the product's instructions and testing on an inconspicuous area first.

Specifications

- **Brand:** SMEDBO
- **Model Number:** BX1096
- **Color:** White

- **Finish Type:** Matte
- **Mounting Type:** Wall Mount (Self-Adhesive)
- **Style:** Modern
- **Product Dimensions (L x W x H):** 7.09 x 1.18 x 1.77 inches (18.0 x 3.0 x 4.5 cm)
- **Item Weight:** 3.53 ounces (100 grams)
- **Number of Hooks:** 4 (Quad Hook)
- **Maximum Weight Recommendation:** 5 Pounds (2.27 kg)
- **GTIN (Global Trade Identification Number):** 07391447045536

Warranty and Support

For specific warranty information and customer support regarding your SMEDBO Self Adhesive Quad Hook, please refer to the product packaging or visit the official SMEDBO website. Warranty terms typically cover manufacturing defects and vary by region and retailer.
For further assistance, you may contact the retailer from whom the product was purchased or SMEDBO customer service directly.
