## Product Features and Benefits

This heat protection spray offers multiple benefits for your hair:

- Leaves hair soft and manageable while providing luxurious shine.
- Designed for use with flat irons, curling irons, or any heat-styling appliance.
- Seals the cuticle for silky, smooth-looking hair.
- Creates slip for effortless heat styling.
- Formulated to be Sulfate, Paraben, and Gluten Free.

## Safety Information

For external use only. Avoid contact with eyes. In case of contact, rinse thoroughly with water. Keep out of reach of children. If irritation occurs, discontinue use.

## Ingredients

Cyclopentasiloxane, Neopentyl Glycol Diethylhexan.
For a complete list of ingredients, please refer to the product packaging.

## Usage Instructions

Follow these steps for optimal heat protection and styling:

1. **Shake the bottle well:** Ensure the product is thoroughly mixed before each use.
2. **Apply to damp hair:** Spray Beyond The Zone Turn Up The Heat Protection Spray evenly on damp hair.
3. **Distribute evenly:** Comb through your hair to ensure even distribution of the product from roots to ends.
4. **Style as desired:** Proceed with your preferred heat styling tools, such as flat irons, curling irons, or blow dryers.

## Care and Storage

To maintain the quality and effectiveness of your heat protection spray:

- Store in a cool, dry place away from direct sunlight and extreme temperatures.
- Ensure the cap is securely closed after each use to prevent leakage and maintain product integrity.
- Keep the bottle upright to prevent any potential leakage.

## Troubleshooting

| Issue | Possible Cause | Solution |
|---|---|---|
| Hair feels greasy or heavy after application. | Too much product applied, or not evenly distributed. | Use a smaller amount of spray. Ensure even distribution by combing through hair. The greasy feel should dissipate once heat is applied during styling. |
| Product leaks from the bottle. | Bottle not kept upright or cap not fully secured. | Always store the bottle upright. Ensure the spray nozzle is fully closed or the cap is tightly secured after use. |

## Product Specifications

| Specification | Detail |
|---|---|
| Product Name | Beyond The Zone Turn Up The Heat Protection Spray |
| Model Number | 140036 |
| UPC | 748616445722 |
