Mortal Kombat: Tournament Edition for Xbox 360 - Instruction Manual

Brand: WARNER BROS | Model: 1000191440

INTRODUCTION

This manual provides essential information for the WARNER BROS Mortal Kombat: Tournament Edition for Xbox 360. This special edition includes the game and a high-quality arcade fight stick, designed to enhance your gameplay experience. The fight stick features authentic Suzo Happ arcade parts, inspired by classic arcade cabinets, and an ergonomic button layout for optimal performance. It also includes a memory foam underside for comfortable lap use and a flip-open lid for easy customization and storage.

The game itself brings back the classic 2D fighting plane with a mature presentation, featuring graphic fatalities and an in-depth story mode that revisits the original Mortal Kombat tournament. It supports up to 4-player tag-team kombat and includes enhanced online features and Co-op arcade mode.

MAINTENANCE

Fight Stick Care:

- **Cleaning:** Use a soft, dry cloth to wipe down the surface of the fight stick. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use, store the fight stick in a cool, dry place away from direct sunlight. Utilize the internal storage compartment for cables or small accessories.
- **Component Access:** The flip-open lid allows for easy access to internal components for cleaning or potential part replacement. Exercise caution when opening and handling internal wiring.
- **Cable Management:** Avoid sharp bends or kinks in the USB cable to prevent damage.

Game Disc Care:

- Keep the game disc in its case when not in use.
- Handle the disc by its edges to avoid fingerprints and scratches.
- Clean the disc with a soft, lint-free cloth, wiping from the center outwards if necessary.

TROUBLESHOOTING

Fight Stick Not Responding:

- **Check Connection:** Ensure the USB cable is securely plugged into both the fight stick and the Xbox 360 console.
- **Try Another USB Port:** Test the fight stick with a different USB port on your console.
- **Restart Console:** Power off and restart your Xbox 360 console.
- **Test on Another Device (if possible):** If you have access to another compatible device, test the fight stick to determine if the issue is with the stick or the console.

Game Freezes or Crashes:

- **Clean Disc:** Inspect the game disc for scratches or smudges and clean it if necessary.

- **Clear Cache:** Clear your Xbox 360 system cache.
- **Reinstall Game:** If issues persist, try uninstalling and reinstalling the game data (if applicable).
- **System Updates:** Ensure your Xbox 360 console has the latest system updates installed.
