PRODUCT OVERVIEW

Nature Made Vitamin D3 2000 IU (50 mcg) tablets are dietary supplements designed to support overall health. Vitamin D3 is the body's preferred form of Vitamin D, crucial for several bodily functions.

- **Bone and Teeth Health:** Vitamin D aids in calcium absorption, which is vital for maintaining strong bones and teeth.
- **Muscle Health:** Contributes to proper muscle function.
- **Immune Support:** Supports a healthy immune system response.
- **Cellular Aging:** Clinical studies suggest that Vitamin D3 supplementation may help prevent leukocyte telomere shortening, contributing to healthy cellular aging.

Vitamin D is essential to help support:

**Bone and Teeth
Health[†]**

Muscle Health[†]

Immune Health[†]
