## 5. STORAGE AND MAINTENANCE

Store the lip balm in a cool, dry place away from direct sunlight and extreme temperatures to maintain product integrity. Ensure the cap is securely replaced after each use to prevent drying or contamination.

## 6. TROUBLESHOOTING

- **Product feels hard or difficult to apply:** Ensure the product has been stored at room temperature. If it has been exposed to cold, allow it to warm up slightly before use.
- **Product appears melted or too soft:** Avoid storing the product in hot environments, such as direct sunlight or a hot car. If it becomes too soft, place it in a cool area for a short period to firm up.
