Vicks BabyRub 1.75 OZ

Vicks BabyRub Soothing Ointment Instruction Manual

Model: BabyRub 1.75 OZ

1. PRODUCT OVERVIEW

Vicks BabyRub Soothing Ointment is designed to provide comfort for babies. It is a gentle, non-medicated formula containing petrolatum and aloe, combined with the aromatic fragrances of eucalyptus, rosemary, and lavender. This ointment is intended for external use to help soothe and relax infants.

Image: Packaging for Vicks BabyRub Soothing Ointment, showing the product name, "Soothing Comfort For Babies," and key ingredients. The net weight is 1.76 oz (50 g).

2. IMPORTANT SAFETY INFORMATION

- **For external use only.** Do not ingest.
- Avoid contact with eyes, mouth, and nostrils. If contact occurs, rinse thoroughly with water.
- Do not apply to broken, irritated, or damaged skin.
- Discontinue use and consult a physician if rash, irritation, or redness develops or worsens.

- Keep out of reach of children. If swallowed, seek medical help or contact a Poison Control Center immediately.
- Consult a healthcare professional before use on infants under 3 months of age.

3. INGREDIENTS

The Vicks BabyRub Soothing Ointment contains the following ingredients:

- Petrolatum
- Fragrance
- Aloe Barbadensis Leaf Extract
- Cocos Nucifera (Coconut) Oil
- Mineral Oil

4. DIRECTIONS FOR USE

4.1. Application

1. Ensure the baby's skin is clean and dry before application.
2. Gently massage a small amount of Vicks BabyRub onto the baby's chest, neck, or back.
3. Use light, circular motions to spread the ointment evenly.
4. Apply as needed, typically before naptime or bedtime, to help soothe and comfort the baby.

4.2. Age Range

This product is formulated for babies. Always consult a pediatrician for specific advice regarding infant care products, especially for very young infants.

5. STORAGE AND MAINTENANCE

- Store at room temperature, away from direct sunlight and excessive heat.
- Keep the lid tightly closed when not in use to prevent drying out and contamination.
- Do not freeze.

6. TROUBLESHOOTING

6.1. Skin Irritation

If your baby develops a rash, redness, or any signs of irritation after applying the ointment:

- Immediately discontinue use of the product.
- Gently wash the affected area with mild soap and water.
- If irritation persists or worsens, consult a healthcare professional.
