Leggett & Platt B50138

Leggett & Platt Fraser Distressed Daybed Instruction Manual

Model: B50138

1. Product Overview

The Leggett & Platt Fraser Distressed Daybed is designed for both seating and sleeping, offering a versatile furniture solution. This twin-sized daybed features a distinctive design with a curved camel back and arms. The back and arms are constructed with 3⅔-inch wood slats, spaced one inch apart, and include a keyhole pattern carved into the center slats of the back and all slats of the arms. The front of the arms gently bow out at the bottom, concluding with delicately carved feet. The daybed is made from Poplar wood and finished in a distressed black color.

This image displays the fully assembled Leggett and Platt Fraser Distressed Daybed. It features a curved camel back and arms with wood slats, finished in distressed black. The front of the arms bow out, ending in carved feet.

2. Safety Information

Please read and understand all instructions before beginning assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all hardware and packaging materials out of reach of children.
- Assemble the daybed on a soft, non-abrasive surface (e.g., carpet or cardboard) to prevent scratching.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or jump on the daybed.
- Do not exceed the recommended weight capacity (if specified, refer to specifications section).
- Use only the mattress size specified for a twin daybed.

3. Package Contents

Verify that all components are present before assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Daybed Back Panel
- Daybed Arm Panels (2)
- Link Spring (Mattress Support)
- Support Legs/Brackets

- Hardware Pack (bolts, washers, nuts, Allen wrench)

4. Setup and Assembly

Follow these general steps for assembling your Fraser Distressed Daybed. Specific diagrams and detailed instructions are typically included with the product packaging.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface. Identify each component and hardware piece.
2. **Attach Arm Panels to Back Panel:** Connect the two arm panels to the main back panel using the provided bolts, washers, and nuts. Ensure the carved feet are oriented correctly. Do not fully tighten bolts at this stage.
3. **Install Link Spring:** Position the link spring (mattress support) within the assembled frame. Secure the link spring to the designated attachment points on the back and arm panels using the appropriate hardware.
4. **Attach Support Legs:** If separate support legs or brackets are provided for the link spring, attach them now according to the instructions.
5. **Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws using the provided Allen wrench. Ensure all connections are snug but do not overtighten.
6. **Position Daybed:** Carefully move the assembled daybed to its desired location.
7. **Place Mattress:** Place a standard twin-sized mattress onto the link spring.

5. Operating and Usage

The Fraser Distressed Daybed is designed for dual functionality as both a seating area and a sleeping surface.

- **Seating:** Use the daybed as a comfortable sofa or lounge area by adding decorative pillows and throws.
- **Sleeping:** The daybed accommodates a standard twin-sized mattress, making it suitable for overnight guests or as a primary bed in smaller spaces.
- **Weight Distribution:** Ensure weight is distributed evenly across the daybed to prevent stress on the frame.

6. Maintenance

Proper care will help maintain the appearance and longevity of your daybed.

- **Cleaning:** Dust regularly with a soft, dry cloth. For deeper cleaning, wipe with a damp cloth using a mild wood cleaner, then immediately dry with a clean, soft cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or damage to the finish.
- **Humidity:** Maintain a consistent humidity level in the room to prevent wood from expanding or contracting excessively.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability.

7. Troubleshooting

If you encounter issues with your daybed, refer to the following common solutions:

- **Wobbling or Instability:** Ensure all bolts and screws are fully tightened. Check that the daybed is on a level surface.
- **Squeaking Noises:** Squeaking often indicates loose hardware. Re-tighten all bolts. Applying a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points on the link spring may also help.
- **Missing Parts:** If you discover missing parts during assembly, do not attempt to substitute. Contact customer support immediately for replacements.
- **Damaged Finish:** For minor scratches, touch-up pens or furniture markers matching the distressed black finish may be used.

8. Specifications

Model Number	B50138
Brand	Leggett & Platt
Size	Twin
Color	Distressed Black
Frame Material	Poplar, Wood
Product Dimensions (L x W x H)	91"L x 35.5"W x 9.5"H
Item Weight	94 pounds
GTIN (UPC)	094325161980

9. Warranty Information

This product is covered by a **10-year manufacturer warranty**. This warranty typically covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims. For specific details regarding coverage, limitations, and how to make a claim, refer to the warranty documentation included with your product or contact Leggett & Platt customer support.

10. Customer Support

For assistance with assembly, missing parts, warranty claims, or any other inquiries regarding your Leggett & Platt Fraser Distressed Daybed, please contact Leggett & Platt customer support.
Contact information can typically be found on the product packaging, the manufacturer's official website, or by searching for "Leggett & Platt customer service" online.
