Spirella Campagne Collection Towel Rail 35 x 4.5 cm

Spirella Campagne Collection Movable Towel Rail 35 x 4.5 cm

Instruction Manual

INTRODUCTION

This manual provides instructions for the proper installation, operation, and maintenance of your Spirella Campagne Collection Movable Towel Rail. Please read these instructions carefully before use and retain them for future reference.

Figure 1: Spirella Campagne Collection Movable Towel Rail. This image shows the chrome-plated metal towel rail with its movable bar, designed for bathroom use.

SETUP AND INSTALLATION

The Spirella Campagne Collection Towel Rail can be installed using either drilling or adhesive methods. Please ensure you have the appropriate tools and materials for your chosen installation method.

Tools and Materials (Not Included):

- Drill (for screw-in installation)
- Screws and wall plugs (for screw-in installation)
- Adhesive suitable for bathroom environments (for glue installation)
- Measuring tape
- Pencil
- Level

Installation Steps (Screw-In Method):

1. **Select Location:** Choose a suitable location on your bathroom wall, ensuring it is level and at a convenient height.

2. **Mark Drilling Points:** Hold the towel rail against the wall and use a pencil to mark the drilling points for the mounting brackets. Use a level to ensure accuracy.
3. **Drill Holes:** Drill holes at the marked points, ensuring the drill bit size matches the wall plugs.
4. **Insert Wall Plugs:** Insert the wall plugs into the drilled holes.
5. **Mount Rail:** Position the towel rail over the wall plugs and secure it with screws. Ensure it is firmly attached to the wall.

Installation Steps (Adhesive Method):

1. **Prepare Surface:** Clean and dry the wall surface where the towel rail will be mounted. Ensure it is free from dust, grease, and moisture.
2. **Apply Adhesive:** Apply a suitable bathroom adhesive to the back of the mounting brackets of the towel rail according to the adhesive manufacturer's instructions.
3. **Attach Rail:** Press the towel rail firmly against the prepared wall surface at the desired location.
4. **Allow to Cure:** Allow the adhesive to cure completely as per the manufacturer's recommendations before placing any weight on the towel rail. This typically takes 24-72 hours.

OPERATING INSTRUCTIONS

The Spirella Campagne Collection Towel Rail is designed for holding towels and other lightweight bathroom textiles. The movable rail allows for flexible positioning and improved air circulation for drying.

- Simply drape your towels over the rail.
- Adjust the movable rail as needed to accommodate different towel sizes or to optimize drying.
- Do not overload the rail beyond its intended capacity to prevent damage or detachment from the wall.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Spirella towel rail, follow these simple maintenance guidelines:

- **Cleaning:** Clean the chrome-plated metal surface regularly with a soft, damp cloth.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, scouring pads, or chemical solvents, as these can damage the finish.
- **Drying:** After cleaning, wipe the rail dry with a soft cloth to prevent water spots.
- **Inspection:** Periodically check the mounting screws or adhesive bond to ensure the rail remains securely attached to the wall. Tighten screws if necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Towel rail feels loose.	Screws have loosened over time or adhesive bond has weakened.	For screw-in installation, tighten the mounting screws. For adhesive installation, re-apply adhesive if necessary, ensuring proper surface preparation and curing time.
Scratches or dull finish.	Use of abrasive cleaners or materials.	Avoid harsh cleaning products. Polish gently with a soft cloth and a chrome-safe cleaner if desired, but note that deep scratches may not be removable.

Problem	Possible Cause	Solution
Movable rail is stiff.	Accumulation of dirt or mineral deposits.	Clean the movable joint area with a damp cloth. A small amount of silicone-based lubricant (avoiding oil-based products) can be applied if necessary, but ensure it does not affect the finish.

SPECIFICATIONS

Brand	Spirella
Model Name	Campagne Collection Movable Towel Rail
Dimensions	35 x 4.5 cm
Material	Chrome-plated Metal
Finish Type	Brushed
Color	Grey
Item Weight	0.48 Kilograms
Installation Type	Screw-In (Adhesive option also available, not included)
ASIN	B004KQV7P2
GTIN	07610583130181
