Caravan Sports Zero Gravity Recliner Lounge Chair Instruction Manual

Model: 80009000050

Brand: Caravan

PRODUCT OVERVIEW

The Caravan Sports Zero Gravity Recliner Lounge Chair offers adaptable and portable outdoor seating. Designed for comfort, it features a smooth recline function and a dual fingertip locking system. The chair is constructed with durable Textilene fabric suspended by a double bungee system, ensuring all-weather durability. Its tubular steel frame with iron phosphate powder coating provides rust resistance. An adjustable headrest cushion is included for additional head or lumbar support.

SETUP

This chair comes pre-assembled. To set up the chair:

1. Carefully remove the chair from its packaging.
2. Unfold the chair by gently pulling the frame apart until it is fully extended.
3. Ensure all legs are stable on a flat, even surface before use.

OPERATING INSTRUCTIONS

Reclining Function

To recline, gently push back on the chair while allowing your body weight to shift. The chair will smoothly glide into various reclining positions. To return to an upright position, lean forward and allow the chair to follow your movement.

Dual Fingertip Locking System

Once you find your desired reclining position, use the dual fingertip locking system located on the armrests to secure the chair. Turn the knobs on both sides to lock the chair in place. To unlock, turn the knobs in the opposite direction.

MAINTENANCE

Cleaning

To clean the chair, simply wipe it down with a damp cloth. Avoid harsh chemicals that may damage the Textilene fabric or frame finish.

Elastic Cord Replacement

The bungee cords suspending the fabric are designed for durability but may require replacement over time due to wear. Replacement cords are available and can be easily installed to restore optimal comfort and support.

TROUBLESHOOTING

- **Chair not reclining smoothly:** Ensure the locking mechanisms on both armrests are fully disengaged. Check for any obstructions in the reclining mechanism.
- **Chair feels unstable:** Verify that the chair is fully unfolded and all frame components are properly aligned. Ensure it is placed on a flat, stable surface.
- **Reduced comfort/support:** Inspect the bungee cords for signs of wear or damage. Worn cords may need to be replaced to restore the chair's original support.

SPECIFICATIONS

Brand	Caravan
Model Name	Caravan Canopy Zero Gravity Chair, Black
Item Model Number	80009000050
Product Dimensions	25"D x 4"W x 37"H (Folded)

Item Weight	20 pounds
Material	Alloy Steel (Frame), Textilene (Fabric)
Maximum Weight Recommendation	300 Pounds
Special Feature	Reclining, Foldable, Adjustable Headrest
Reclining Position Count	3
Product Care Instructions	Wipe Clean

SAFETY INFORMATION

- This product has a maximum weight capacity of 300 pounds. Do not exceed this limit.
- Proper storage is recommended in extreme weather conditions to prolong product life.
- Ensure there is sufficient space around the chair for safe usage, considering the seat-to-floor, seat width, and seat-to-head measurements.
- Always ensure the chair is fully unfolded and stable before sitting.
- Use the locking mechanisms to secure your desired recline position to prevent unintended movement.

WARNING: This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

WARRANTY AND SUPPORT

Caravan Canopy stands behind its products with a limited warranty. For specific warranty details or support inquiries, please refer to the documentation included with your purchase or contact Caravan customer service directly.
