3. SETUP

1. **Unpack Components:** Carefully remove all game pieces from the box.
2. **Prepare Recipe Cards:** Lay out the four different cupcake recipe cards (Lemon, Carrot, Vanilla, Chocolate) where all players can see them. Each card displays the specific ingredients required for that cupcake.
3. **Distribute Cupcake Liners:** Give each player a cupcake liner. This will be used to collect their ingredients.
4. **Place Ingredient Tokens:** Place all ingredient tokens in a central pile, accessible to all players.
5. **Position Spinner:** Place the game spinner in the center of the play area.
6. **Choose Cupcake:** Each player chooses one of the four cupcake recipes they wish to complete.

4. OPERATING (HOW TO PLAY)

The objective of the game is to be the first player to collect all the ingredients for their chosen cupcake recipe.

1. **Determine First Player:** The youngest player typically goes first, or players can decide amongst themselves.
2. **Take a Turn:** On your turn, spin the game spinner.
3. **Interpret Spinner Result:**
 - **Ingredient Categories (e.g., "dry ingredients," "frosting," "flavoring"):** If the spinner lands on an ingredient category, check your chosen cupcake recipe card. If you need an ingredient from that category, take one corresponding ingredient token from the central pile and place it in your cupcake liner. If you already have all ingredients from that category, your turn ends.
 - **Special Actions (e.g., "rotten egg," "mixing bowl"):**
 - If the spinner lands on "rotten egg," you may have to return an ingredient token to the central

pile (if you have any).

- If the spinner lands on "mixing bowl," it might allow you to take any ingredient you need, or perform another specific action as indicated on the spinner itself.
- Always follow the specific instructions on the spinner space.

4. **End of Turn:** After collecting an ingredient or performing a special action, the turn passes to the next player in a clockwise direction.

5. **Winning the Game:** The first player to successfully collect all the unique ingredients listed on their chosen cupcake recipe card wins the game!

Game Duration: A typical game lasts approximately 15-30 minutes.

5. MAINTENANCE

- **Storage:** Store all game components in the original box when not in use to prevent loss or damage.
- **Cleaning:** Wipe game pieces with a dry, soft cloth if they become dusty. Avoid using harsh chemicals or abrasive cleaners.
- **Handling:** Handle game cards and tokens with care to prolong their lifespan.

6. TROUBLESHOOTING

- **Missing Pieces:** If any game pieces are missing upon opening, please contact eeBoo customer support for assistance.
- **Spinner Not Working:** Ensure the spinner arrow is securely attached and moves freely. If it becomes loose, gently re-attach it.
- **Difficulty Understanding Rules:** Re-read the "Operating" section. For younger players, an adult can guide them through the first few turns.
