SAC ST0169

SAC Leather Shoulder Bag Model ST0169 User Manual

Brand: SAC | Model: ST0169

INTRODUCTION

Thank you for choosing the SAC Leather Shoulder Bag Model ST0169. This manual provides essential information for the proper setup, operation, and maintenance of your new bag. Crafted from genuine cowhide, this bag features a simple yet functional design for everyday use.

SETUP

1. **Unpacking:** Carefully remove the bag from its packaging. Inspect for any signs of damage during transit.
2. **Initial Inspection:** Check all zippers, seams, and hardware to ensure they are in proper working order.
3. **Strap Adjustment:** The shoulder strap is adjustable. Use the buckle to find a comfortable length for carrying.

OPERATING INSTRUCTIONS

- **Main Compartment Access:** The main compartment is secured with a zipper. Gently pull the zipper tab to open or close.
- **Internal Pocket:** An internal pocket is provided for smaller items such as keys, cards, or a mobile phone. This pocket also features a zipper closure.
- **Carrying:** The bag is designed to be carried over the shoulder. Adjust the strap for optimal comfort and security.
- **Capacity:** While designed for daily essentials, avoid overfilling the bag to maintain its shape and prevent strain on seams and zippers.

MAINTENANCE AND CARE

Proper care will extend the life and preserve the appearance of your leather bag.

- **Cleaning:** For light dirt, wipe with a soft, damp cloth. For deeper cleaning, use a specialized leather cleaner according to its instructions. Always test on an inconspicuous area first.
- **Conditioning:** Periodically apply a leather conditioner to keep the leather supple and prevent drying or cracking.
- **Water Protection:** Leather is not waterproof. Avoid prolonged exposure to rain or moisture. If the bag gets wet, gently blot with a dry cloth and allow it to air dry naturally, away from direct heat.
- **Sunlight Exposure:** Prolonged exposure to direct sunlight can cause the leather to fade or dry out. Store the bag in a cool, dry place away from direct sunlight.
- **Storage:** When not in use, store the bag in a dust bag or a breathable cloth bag to protect it from dust and scratches. Avoid storing in plastic bags, which can trap moisture.

TROUBLESHOOTING

Zipper Stiffness:

If the zipper feels stiff or difficult to operate, apply a small amount of zipper lubricant or a graphite pencil lead along the teeth. Avoid forcing the zipper.

Leather Appearance Changes:

Leather is a natural material and may develop a unique patina over time. Minor scratches or variations in texture are normal and part of the leather's character. Refer to the Maintenance section for care tips.

Bag Losing Shape:

Avoid overfilling the bag. When storing, you may gently stuff it with tissue paper or soft material to help maintain its form.

SPECIFICATIONS

Brand	SAC
Model Number	ST0169
Material	Cowhide
Dimensions (H x W x D)	28 cm x 27 cm x 8 cm
Handle Height	52 cm
Weight	350 g
