Bruder 02812

Bruder MACK Granite Garbage Truck (Ruby Red-Green)

MODEL 02812 - INSTRUCTION MANUAL

Brand: Bruder

1. Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bruder MACK Granite Garbage Truck (Model 02812). Designed with realistic features, this toy offers an engaging experience for understanding recycling and waste management processes. Please read all instructions carefully before use.

2. Safety Information

WARNING: Small Parts - Not for children under 3 years old.

- Ensure all small parts are securely attached before play.
- Adult supervision is recommended during play, especially when operating moving parts.
- Avoid placing fingers or other objects into moving mechanisms to prevent injury.

3. Components Overview

The Bruder MACK Granite Garbage Truck is constructed from 90% plastic and 10% rubber, ensuring durability and realistic functionality. Key components include:

- **Driver's Cabin:** Features opening doors, a tilting engine bonnet revealing the engine block, and foldable rear-view mirrors.
- **Waste Container:** A large, tilting refuse container with an opening tailgate.
- **Functional Dustbin Lift:** Designed to empty small colored dustbins (included) or gray dustbins (not included).
- **Working Press:** A lifelike mechanism that transports garbage to the interior loading container.
- **Wheels:** Equipped with real tread for enhanced play.
- **Included Accessories:** Two small colored dustbins.

4. Setup and Assembly

Your Bruder MACK Granite Garbage Truck comes largely pre-assembled. Follow these steps for initial setup:

1. **Unpacking:** Carefully remove the truck and accessories from the packaging.
2. **Dustbin Attachment:** The included small colored dustbins can be attached to the functional dustbin lift at the rear of the truck.
3. **Mirror Adjustment:** Fold out the rear-view mirrors on the driver's cabin as desired.

Figure 2: Side view demonstrating the dustbins attached to the functional lift.

5. Operating Instructions

Experience the realistic functions of your garbage truck:

5.1. Driver's Cabin Operation

- **Opening Doors:** The driver's cabin doors can be opened to place figures inside.
- **Tilting Engine Bonnet:** The engine bonnet can be tilted forward to reveal the detailed engine block.
- **Foldable Mirrors:** Rear-view mirrors can be folded in or out.

5.2. Waste Loading and Compaction

1. **Attach Dustbins:** Hook the small colored dustbins onto the functional dustbin lift at the rear.
2. **Lift and Empty:** Operate the lift mechanism to raise and empty the contents of the dustbins into the loading area.
3. **Compaction:** A working press mechanism inside the container transports the garbage to the interior loading container.

Figure 3: Rear view showing the dustbin lift in action.

5.3. Waste Emptying

To empty the collected waste from the truck:

1. **Open Tailgate:** The tailgate at the rear of the waste container can be opened. It securely locks in place when opened.
2. **Tilt Container:** The entire waste container can be tilted to discharge the contents.

6. Maintenance

To ensure the longevity and optimal performance of your Bruder MACK Granite Garbage Truck, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the truck with a damp cloth to remove dust and dirt. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a clean, dry place away from direct sunlight and extreme temperatures.
- **Moving Parts:** Periodically check all moving parts (doors, lift, tailgate) for smooth operation. Do not force any mechanisms.

7. Troubleshooting

If you encounter any issues with your Bruder MACK Granite Garbage Truck, consider the following:

- **Stuck Mechanism:** If the dustbin lift or compaction press becomes stuck, gently check for any obstructions (e.g., paper, small debris) and carefully remove them.
- **Loose Parts:** Bruder toys are designed for durability; however, if a part becomes loose, inspect if it can be re-

snapped into place. Avoid using excessive force.

- **General Wear:** Over time, some cosmetic wear may occur with regular play. This is normal and does not affect functionality.

8. Specifications

Feature	Detail
Product Dimensions	11.02 x 27.56 x 7.87 inches
Item Weight	6.71 pounds
Item Model Number	02812
Manufacturer Recommended Age	36 months - 15 years
Material	90% plastic, 10% rubber
Scale	1/16
Language	English

9. Warranty and Support
