Pibbs PS89

Pibbs PS89 Amalfi Portable Pedicure Spa Chair Instruction Manual

Model: PS89

Safety Warnings Setup Operation Maintenance Troubleshooting Specifications Support

1. Safety Warnings

WARNING: Always ensure the chair is fully opened and stable before use. Do not exceed the maximum weight capacity of 350 pounds. Keep fingers and loose clothing away from moving parts. Always follow the instructions for safe operation of the adjustable backrest and retractable base.

Read all instructions carefully before using the Pibbs PS89 Amalfi Portable Pedicure Spa Chair. Failure to follow these instructions may result in injury or damage to the product.

2. Setup and Initial Placement

The Pibbs PS89 Amalfi Pedicure Spa Chair is designed for minimal assembly. It arrives largely pre-assembled for convenience.

2.1 Unboxing

1. Carefully remove the chair from its packaging. Inspect for any signs of damage during transit.
2. Remove all protective materials and ties.

2.2 Placement

- Place the chair on a flat, stable, and hard floor surface. Ensure there is adequate space around the chair for full operation, including the retractable base and reclining backrest.
- Ensure the power cord for the vibration massage system is accessible and can be plugged into a suitable electrical outlet without strain.

3. Operation

This section details the functions of your Pibbs PS89 Amalfi Pedicure Spa Chair.

3.1 Swivel Seat

The chair top is designed to swivel 360 degrees, allowing for easy client entry and exit. Gently rotate the seat to the desired position.

3.2 Adjustable Recline

The backrest features an adjustable recline function. Use the remote control provided to adjust the recline angle for client comfort. Ensure the client is seated properly before adjusting.

3.3 6-Function Vibration Massage

The seat is equipped with a 6-function vibration massage system. Use the remote control to select desired massage intensity and pattern. Plug the chair into a power outlet for this feature to operate.

3.4 Retractable Base

The base of the chair is retractable to save space when not in use. To extend or retract the base, gently pull or push it. Ensure no obstructions are in the path of the moving base.

3.5 Portable Footbath

The chair includes a portable footbath that does not require plumbing. Fill the footbath with water to the recommended level. Place it securely on the retractable base. After use, empty and clean the footbath as per maintenance instructions.

3.6 Adjustable Footrest

The footrest can be adjusted in height to provide optimal support for the client and ergonomic access for the technician. Adjust the footrest by lifting or lowering it to the desired position.

4. Maintenance and Care

Proper maintenance ensures the longevity and hygiene of your pedicure spa chair.

4.1 Cleaning the Chair

- **Seat and Upholstery:** Wipe clean with a damp cloth and mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the vinyl.
- **Wood Base:** Wipe clean with a soft, dry cloth. For deeper cleaning, use a wood-safe cleaner.
- **General Cleaning:** Regularly wipe down all surfaces to remove dust and debris.

4.2 Cleaning the Portable Footbath

- After each use, empty the footbath completely.
- Clean the interior with an approved disinfectant solution suitable for spa equipment.
- Rinse thoroughly with clean water and dry before next use.

4.3 General Care

- Avoid exposing the chair to direct sunlight or extreme temperatures for prolonged periods.
- Do not use sharp objects near the upholstery to prevent tears or punctures.
- Periodically check all moving parts for smooth operation and ensure no debris is obstructing them.

5. Troubleshooting

This section addresses common issues you might encounter with your pedicure spa chair.

5.1 Vibration Massage Not Working

- **Check Power Connection:** Ensure the chair is properly plugged into a functional electrical outlet.
- **Remote Control:** Verify that the remote control batteries are working and that the remote is pointed correctly at the receiver.
- **Power Supply Cord:** If the power supply cord is lost or damaged, contact customer support for assistance.

5.2 Chair Not Reclining/Swiveling Smoothly

- **Obstructions:** Check for any objects or debris obstructing the reclining mechanism or swivel base.
- **Weight Limit:** Ensure the client's weight does not exceed the maximum weight recommendation of 350 pounds.

5.3 Footbath Water Temperature Issues

- The portable footbath may not have temperature control. Monitor water temperature manually to ensure it is comfortable and safe for the client.
- Avoid using excessively hot water to prevent discomfort or potential burns.

5.4 Retractable Base Sticking

- **Clear Path:** Ensure the area around the retractable base is clear of any obstacles.
- **Lubrication:** If the mechanism feels stiff, a small amount of silicone-based lubricant may be applied to the tracks (consult customer support if unsure).

6. Product Specifications

Feature	Detail
