Taste Nirvana Real Coconut Water with Coco Pulp Instruction Manual

Brand: Taste Nirvana | Model: 01715333

1. PRODUCT OVERVIEW

Taste Nirvana Real Coconut Water with Coco Pulp is a natural beverage derived from premium Nam Hom coconuts. These coconuts are sourced from the Nakorn Pathom province, known for producing larger and sweeter coconuts. The product is bottled within hours of harvest to preserve its natural flavor and nutritional content. It contains tender coconut bits (pulp) and is a source of electrolytes, offering a refreshing and hydrating experience.

This product is suitable for vegans, is gluten-free, and contains no preservatives.

8. TROUBLESHOOTING

- **Product appears cloudy or contains sediment:** This is normal for coconut water with natural coco pulp. The tender coconut bits may settle at the bottom. Gently shake the can before opening.
- **Taste is not as expected:** Ensure the product is thoroughly chilled. Natural coconut water flavor can vary slightly between batches due to natural variations in coconuts.
- **Can is bulging or leaking:** Do not consume. Dispose of the product safely and contact customer support.

9. QUALITY ASSURANCE AND SUPPORT

Taste Nirvana is committed to providing high-quality natural coconut water. If you have any concerns regarding the quality of this product, please contact Taste Nirvana customer support directly through their official website or the contact information provided on the product packaging. Please retain the product packaging and any relevant batch codes for reference when contacting support.
