Catherine - PlayStation 3 Standard Instruction Manual

Model: 730865001385

INTRODUCTION AND OVERVIEW

As Vincent, a man recently succumbed to the irresistible beauty of the game's titular diversion, players find themselves swept into a treacherous love triangle. Catherine's core themes—those of free will, of the delicate nature of relationships and the choices we make within them, marry perfectly with the intense, terror-filled gameplay that serves to accurately reflect Vincent's growing sense of anxiety. It is an experience wholly unlike any to come before it, and is certain to leave gamers talking and thinking about Vincent's tribulations long after the credits have rolled.

SETUP

To set up your Catherine game on PlayStation 3, ensure your PlayStation 3 console is connected to a power source and a display device (TV or monitor). Insert the Catherine game disc into the disc drive of your PlayStation 3 console. The game will typically auto-start or appear as an icon on the XMB (XrossMediaBar) menu. Select the game icon to begin installation or launch the game.

OPERATING AND GAMEPLAY FEATURES

Catherine offers a unique blend of social simulation and puzzle-platforming gameplay. The narrative unfolds through Vincent's waking life and his terrifying nightmares.

- **Narrative Progression:** Vincent's waking fears, doubts, pressures, and growing guilt about commitment and fidelity now gleefully follow him into his dreams.
- **Moral Choices:** The player must navigate Vincent through heavy moral decisions. As in real life, hardly anything is black and white, influencing the game's outcome.
- **Art Style and Music:** Famed character artist Shigenori Soejima and master composer Shoji Meguro create sights and sounds unlike anything else, enhancing the game's distinct atmosphere.
- **Multiplayer Modes:** Local competitive and cooperative multiplayer modes ensure many thrills and horrors of racing through twisted stages, offering replayability beyond the main story.

Gameplay in the nightmare sequences involves climbing block towers by pushing and pulling blocks to create paths. Different block types introduce varying challenges. During the day, players interact with characters in a bar setting,

making choices that affect Vincent's relationships and the story's progression.

Language	English
ESRB Rating	Mature
Item Model Number	730865001385
Manufacturer	Atlus
Product Dimensions	1.18 x 5.91 x 0.04 inches
Item Weight	0.53 ounces

TROUBLESHOOTING

For common issues such as disc read errors or game freezing, ensure your PlayStation 3 console's software is up to date and the game disc is clean and free of scratches. If problems persist, consult the PlayStation 3 console's user manual or the official Atlus support website for further assistance.

MAINTENANCE

To ensure the longevity of your game disc, store it in its original case away from direct sunlight and extreme temperatures. Handle the disc by its edges to avoid fingerprints and scratches on the playable surface. Regularly clean the disc with a soft, lint-free cloth, wiping from the center outwards.

WARRANTY AND SUPPORT

For information regarding product warranty or technical support, please refer to the documentation included with your game purchase or visit the official Atlus website. Support resources may include FAQs, troubleshooting guides, and contact information for customer service.
