Georgia-Pacific 20085

Brawny 20085 Perforated Wipes User Manual

Model: 20085 | Brand: Georgia-Pacific

1. Introduction

This manual provides comprehensive instructions for the proper use, handling, and storage of Brawny 20085 Perforated Wipes. Designed for efficiency and versatility, these wipes are suitable for a variety of cleaning tasks in professional and household environments. Please read this manual thoroughly to ensure optimal performance and longevity of the product.

2. Product Overview

The Brawny 20085 Perforated Wipes are all-purpose, double recrepe (DRC) wipers engineered for superior strength, softness, and absorption. They are ideal for medium-duty uses, effectively cleaning up both water- and oil-based messes. Each roll contains 84 sheets, with dimensions of 11 inches by 8-5/16 inches per sheet. The convenient perforations allow for quick and easy dispensing.

Image 2.1: A single roll of Brawny 20085 Perforated Wipes, showcasing the Brawny Professional branding and product details.

Key Features:

- **Material:** All-purpose, double recrepe (DRC) for enhanced durability and absorbency.
- **Versatility:** Suitable for cleaning both water-based and oil-based spills.
- **Convenience:** Perforated sheets for easy tearing and dispensing.

- **Quantity:** Each roll contains 84 sheets, with 20 rolls per carton.
- **Dimensions:** Each sheet measures 11 inches by 8-5/16 inches.

3. Setup

Setting up your Brawny 20085 Perforated Wipes for use is straightforward.

3.1 Unpacking and Preparation

1. **Open the Carton:** Carefully open the shipping carton containing the rolls of wipes.
2. **Remove a Roll:** Take out one roll of Brawny 20085 Perforated Wipes from the carton.
3. **Locate Perforation:** Find the start of the roll and the first perforation line.
4. **Place for Dispensing:** Place the roll in a convenient location for easy access, such as on a paper towel holder or a flat surface.

4. Operating Instructions

Follow these steps for effective use of your Brawny 20085 Perforated Wipes:

1. **Dispense a Sheet:** Pull a single sheet from the roll. The perforations are designed for easy tearing.
2. **Prepare for Cleaning:** Use the wipe dry for dusting or absorbing spills, or dampen it with water or a suitable cleaning solution for wet cleaning tasks.
3. **Clean Surface:** Wipe the desired surface to remove dirt, dust, or spills. The DRC material is effective on both water- and oil-based messes.
4. **Dispose:** After use, dispose of the soiled wipe in a waste receptacle. These wipes are designed for single-use applications.

5. Maintenance

Proper storage and disposal ensure the effectiveness and hygiene of your Brawny 20085 Perforated Wipes.

5.1 Storage

- Store rolls in their original packaging or a clean, dry environment away from direct sunlight and extreme temperatures.
- Keep away from moisture to prevent degradation of the material.

5.2 Disposal

- Dispose of used wipes in accordance with local waste disposal regulations.
- Do not flush wipes down toilets, as they are not designed to be flushable and may cause plumbing issues.

6. Troubleshooting

While Brawny 20085 Perforated Wipes are designed for reliable performance, here are some common considerations:

- **Issue:** Wipe tears easily during use.
  Solution: *Ensure the wipe is not overly saturated for heavy-duty scrubbing. For very tough messes, consider using multiple sheets or a more robust cleaning tool.*
- **Issue:** Wipe is not absorbing liquids effectively.

Solution: *Ensure the wipe is dry before use for maximum absorption. For very large spills, multiple wipes may be required.*

- **Issue:** Difficulty tearing along perforations.
  Solution: *Ensure you are pulling directly along the perforation line. A quick, firm pull usually yields a clean tear.*

7. Specifications
