Diversey GP Forward SC 8

Diversey GP Forward SC 8 Multipurpose Cleaner Instruction Manual

Model: GP Forward SC 8 | Brand: Diversey

1. INTRODUCTION

The Diversey GP Forward SC 8 is a highly versatile general cleaner concentrate designed for effective cleaning of various surfaces. This product contains a blend of high-performance detergents and features a pleasant citrus scent. It is suitable for use on any water-safe surface and is an excellent choice for scrub and recoat floor care programs. The cleaner is green in color and works efficiently with mop and bucket, trigger spray, and auto scrubber applications. It is available in dilution ratios of 1:128 and 1:256.

2. SAFETY INFORMATION

WARNING: SKIN AND SERIOUS EYE IRRITATION. This product causes skin and serious eye irritation. Always handle with care and follow all safety precautions.

- Wash thoroughly after handling.
- Do not get in eyes, on skin, or on clothing.
- Do not breathe dust/fume/gas/mist/vapors/spray.
- Wear appropriate personal protective equipment, including protective gloves, protective clothing, eye protection, and face protection.

First Aid Measures:

- **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs, seek medical advice/attention.
- **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice/attention.
- Take off contaminated clothing and wash it before reuse.

Dispose of contents/container in accordance with local, regional, national, and international regulations. Refer to Safety Data Sheet (SDS) # MS0801016 for complete safety information.

Emergency telephone: 1-800-851-7145 (U.S. & Canada).

3. PRODUCT OVERVIEW

The Diversey GP Forward SC 8 is supplied in an 84.5 fl. oz. J-Fill bottle, typically sold in cartons of two. This concentrate is formulated with active ingredients such as alcohol ethoxylates, tetrasodium salt of EDTA, sodium xylene sulfonate, and monoethanolamine. It features a mild citrus scent and is green in color.

The concentrate has a pH level of 12.9, while a 1:128 dilution results in a pH of 9.6. This cleaner is designed to remove most types of dirt, grit, grease, and soap scum, leaving surfaces sparkling clean without the need for rinsing in many applications.

4. SETUP

This product is designed for exclusive use with Diversey brand dispensing equipment. Ensure you read and understand the label and Safety Data Sheet (SDS) before use.

1. Attach the J-Fill bottle to the compatible Diversey dispensing unit.
2. The dispensing unit will automatically set the product to dispense at either a 1:128 dilution (rinse-free) or a 1:256 dilution (no-rinse), depending on the selected application.
3. Ensure the dispenser is properly connected to a water source.

5. OPERATING INSTRUCTIONS

The GP Forward SC 8 cleaner can be used with cold, hot, soft, and hard water in various applications.

5.1 Mop and Bucket Application

1. Fill a mop bucket with the diluted solution from the J-Fill dispenser.
2. Apply the solution to the floor using a clean mop.
3. Pick up soil and excess cleaner with a lightly wrung-out cleaning mop.
4. Allow the surface to air dry.
5. **Note:** When using for scrub and recoat floor care programs, rinse thoroughly with clean water after treatment with this product. Avoid contamination of food during use or storage.

5.2 Trigger Spray Application

1. Fill a spray bottle with the diluted solution from the J-Fill dispenser.
2. Spray the solution onto a clean cloth or sponge.
3. Wipe the surface clean.
4. Allow the surface to air dry.
5. **Note:** When using for scrub and recoat floor care programs, rinse thoroughly with clean water after treatment with this product. Avoid contamination of food during use or storage.

5.3 Auto Scrubber Application

1. Fill the auto scrubber tank with the diluted solution from the J-Fill dispenser.
2. Apply the solution to the floor using the auto scrubber.
3. Pick up soil and excess cleaner with the auto scrubber.
4. Allow the surface to air dry.
5. **Note:** When using for scrub and recoat floor care programs, rinse thoroughly with clean water after treatment with this product. Avoid contamination of food during use or storage.

6. DILUTION RATIOS

The Diversey GP Forward SC 8 offers multiple dilution rates to suit various cleaning needs:

- **1:128 Dilution:** This ratio is typically used for general cleaning where a rinse-free application is desired. The pH level at this dilution is approximately 9.6.
- **1:256 Dilution:** This ratio is suitable for lighter cleaning tasks or as a no-rinse solution for certain surfaces.

The J-Fill dispensing system ensures accurate and consistent dilution for optimal performance and safety.

7. MAINTENANCE

Proper maintenance of cleaning equipment and storage of the product ensures longevity and effectiveness.

- After each use, clean all application equipment (mops, buckets, spray bottles, auto scrubbers) thoroughly with clean water.
- Store the Diversey GP Forward SC 8 concentrate in its original J-Fill bottle, in a cool, dry place, away from direct sunlight and incompatible materials.
- Ensure the J-Fill dispenser is kept clean and free from blockages to maintain accurate dilution.
- Always keep the product out of reach of children and pets.

8. TROUBLESHOOTING

No specific troubleshooting steps are provided for this product. For issues related to product performance or dispensing, please refer to the contact information in the Support section.

9. SPECIFICATIONS
