Jabra Jabra Freeway

Jabra Freeway Bluetooth In-Car Speakerphone User Manual

Model: Jabra Freeway (100-46000000-02)

1. Introduction and Overview

The Jabra Freeway is a Bluetooth in-car speakerphone designed to provide clear audio for calls and media streaming. It features a three-speaker system for virtual surround sound and HD Ready Voice technology for enhanced call quality. The device supports voice commands for hands-free operation and includes an FM transmitter to broadcast audio to your car's radio.

Key features include automatic power on/off, advanced Multiuse for connecting to two Bluetooth devices simultaneously, and A2DP for streaming music, podcasts, and GPS directions.

2. What's in the Box

- Jabra Freeway in-car speakerphone
- Cigarette lighter adapter (CLA) charger
- USB to micro USB charging cable
- Quick start guide
- Warranty & warning leaflet

3. Setup

3.1 Charging the Device

Before first use, fully charge your Jabra Freeway. Connect the supplied USB charging cable to the speakerphone and a power source (e.g., car charger or computer USB port). A full charge takes approximately 2 hours and provides up to 14 hours of talk time and 40 days of standby time.

3.2 Mounting in the Car

The Jabra Freeway is designed to be clipped onto your car's sun visor. Ensure it is securely attached and does not obstruct your view while driving.

3.3 Pairing with a Bluetooth Device

1. When you open your car door, the Jabra Freeway automatically turns on.
2. It will enter pairing mode automatically the first time it's turned on, or if it hasn't been paired before. Voice guidance will assist you.

3. On your mobile phone, enable Bluetooth and search for new devices.
4. Select "Jabra Freeway" from the list of available devices.
5. If prompted for a passcode, enter "0000" (four zeros).
6. Once paired, the speakerphone will confirm the connection.

The Jabra Freeway supports Advanced Multiuse, allowing connection to two Bluetooth devices simultaneously.

4. Operating Instructions

4.1 Power On/Off

The Jabra Freeway features an auto on/off function. It automatically turns on when your car door is opened and shuts off when a conversation is finished or your destination is reached, conserving battery life.

4.2 Voice Control and Commands

The Jabra Freeway allows for a truly hands-free experience using voice commands. You can use your voice to:

- Make, answer, end, redial, or reject calls.
- Voice Guidance provides caller ID announcements, spoken battery level, pairing instructions, and Bluetooth connection status.

With a Voice Assist subscription, you can also send and receive text messages and emails, and post updates to social networking sites like Facebook and Twitter, all by voice.

Your browser does not support the video tag.

4.3 Audio Streaming (A2DP)

The Jabra Freeway supports A2DP, allowing you to stream music, podcasts, and GPS directions from your connected mobile device directly through the speakerphone's three-speaker system.

4.4 FM Transmitter

To enjoy audio through your car's stereo system, use the built-in FM transmitter. Activate the FM transmitter function on the Jabra Freeway and tune your car radio to the specified FM frequency. This allows you to send music and calls from your mobile phone to your car radio.

5. Maintenance

- Keep the device clean by wiping it with a soft, dry cloth.
- Avoid exposing the device to extreme temperatures, moisture, or corrosive substances.
- Store the device in a cool, dry place when not in use.

6. Troubleshooting

6.1 No Power

- Ensure the device is fully charged.
- Check the charging cable and power source for proper connection.

6.2 Pairing Issues

- Make sure Bluetooth is enabled on your mobile device.
- Ensure the Jabra Freeway is in pairing mode (indicated by voice prompts).
- Try unpairing and re-pairing the device.
- Restart both the speakerphone and your mobile device.

6.3 Poor Audio Quality

- Ensure the speakerphone is within Bluetooth range of your mobile device.
- Check for obstructions between the speakerphone and your mobile device.
- If using the FM transmitter, try a different FM frequency to avoid interference.
- Adjust the volume on both the speakerphone and your mobile device.

7. Specifications

Feature	Detail
Brand	Jabra
