Storkcraft Portofino 5-in-1 Convertible Crib and Changer Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and conversion of your Storkcraft Portofino 5-in-1 Convertible Crib and Changer. Please read all instructions carefully before assembly and use to ensure safe and proper operation. Keep this manual for future reference.

The Storkcraft Portofino 5-in-1 Convertible Crib and Changer in Espresso finish, featuring a crib section and an attached changing table with drawers.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and the assembly instructions could result in serious injury or death.

- Always ensure all parts are correctly assembled and securely fastened before use.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Storkcraft for replacement parts.
- The maximum child height for the crib stage is 35 inches (89 cm). Discontinue use when your child can easily climb out or is taller than 35 inches.
- The recommended weight limit for the daybed and toddler bed stage is 50 pounds.
- The recommended weight limit for the changing table is 30 pounds.
- Use only a fitted bottom sheet specifically designed to fit snugly around a standard size crib and toddler mattress.
- This product is GREENGUARD Gold Certified, screened for over 10,000 chemicals and VOCs to contribute to cleaner indoor air.
- Customers sensitive to certain smells might find the product to have a strong odor initially, but it is not harmful

and should dissipate quickly.

PRODUCT OVERVIEW

The Storkcraft Portofino 5-in-1 Convertible Crib and Changer offers a versatile solution for your nursery, adapting to your child's growth from infancy through adolescence. It combines a full-size crib with an attached changing table, providing both sleeping and changing functionalities along with ample storage.

Classical elegance

Classically elegant, our quintessential
"storybook" crib — loaded with features.

storkcraft®

The crib features a classical sleigh design, adding elegance to any nursery.

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended to have at least two adults for assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all hardware is accounted for and correctly installed.

- **Preparation:** Unpack all components and verify against the parts list in your assembly guide. Separate and organize hardware.

- **Tools:** Basic hand tools are typically sufficient for assembly.
- **Attention to Detail:** Pay close attention to the small numbers or labels on pieces as they may not be interchangeable between sides.

OPERATING THE 5-IN-1 CONVERTIBLE CRIB

This versatile furniture piece converts through five stages to accommodate your child's needs as they grow.

Crib Mode

The crib features an adjustable mattress support base with 3 different height options. Adjust the mattress height as your child grows to prevent climbing out.

Toddler Bed Conversion

The crib converts to a toddler bed. A toddler guardrail is sold separately and is required for this conversion.

**Grow-with-me crib
converts into a toddler bed**

**Easily transitions into a toddler bed
(toddler guardrails sold separately).**

storkcraft®

The crib easily transitions into a toddler bed, providing a safe sleeping space for growing children.

Daybed Conversion

The crib can also be converted into a daybed, offering a comfortable seating or sleeping option.

The daybed configuration offers a versatile and comfortable space.

Full-Size Bed Conversion

For older children, the crib converts to a full-size bed with a headboard and optional footboard. A conversion kit is sold separately for this stage.

The crib can be transformed into a full-size bed, extending its usability for many years.

Attached Changing Table

The attached changing table includes a water-resistant changing pad with a safety strap. Always use the safety strap when changing your child. The changing table can detach and function as a nightstand when the crib is converted into a full-size bed.

STORAGE FEATURES

The changing table section provides convenient storage solutions for baby essentials.

- **Three Enclosed Storage Drawers:** Ideal for storing diapers, wipes, creams, and small clothing items. The drawers feature Euro glides for smooth operation.
- **Two Open Shelves:** Located behind the drawers, these shelves offer additional space for larger items or frequently accessed supplies.

**Ready for childhood,
transitions into a full bed**

**Easily transitions into a full bed
(bed conversion kit sold separately).**

storkcraft®

The changing table features three spacious drawers for organized storage.

storkcraft®

Additional open shelves behind the drawers provide extra storage space.

MAINTENANCE AND CARE

To maintain the quality and appearance of your Storkcraft Portofino crib and changer, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using abrasive cleaners or strong chemicals that could damage the finish.
- **Regular Checks:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Do not overtighten.
- **Environmental Conditions:** Avoid exposing the furniture to extreme temperature changes or direct sunlight, which can cause warping or fading.

TROUBLESHOOTING

If you encounter any issues with your product, please refer to the following common solutions:

- **Strong Odor:** Some customers may notice a strong odor upon unboxing. This is typically due to the

manufacturing process and is not harmful. Ensure the room is well-ventilated, and the odor should dissipate quickly.

- **Assembly Difficulty:** If you find assembly challenging, ensure you have carefully reviewed the instruction manual, identified all parts, and are following the steps sequentially. Having an extra person to assist can also simplify the process.
- **Changing Pad Fit:** The included changing pad is designed to fit the changing table. If you are using an aftermarket changing pad, ensure it is compatible and fits securely within the changing table's dimensions.
