iHome IH-IP2100

iHome Bluetooth Keyboard and Leather Case for iPad 2 - IH-IP2100 User Manual

This manual provides detailed instructions for the setup, operation, and maintenance of your iHome IH-IP2100 Bluetooth Keyboard and Leather Case for iPad 2.

1. Important Safety Information

- Read all instructions carefully before using the product.
- Do not expose the device to extreme temperatures, moisture, or direct sunlight.
- Keep the device away from sharp objects and abrasive materials.
- Use only the provided charging cable or a certified equivalent.
- Do not attempt to disassemble or repair the device yourself. Contact qualified service personnel if service is required.

2. Package Contents

Verify that all items are present in your package:

- iHome Leather Case for iPad 2
- Detachable Bluetooth Keyboard
- Dual USB Charging Cord

3. Product Overview

The iHome IH-IP2100 combines a protective leather case with a detachable Bluetooth keyboard, designed specifically for the iPad 2. It offers multiple viewing angles and full access to all iPad ports and buttons.

Image 1: The iHome IH-IP2100 case with an iPad 2 inserted, showing the detached Bluetooth keyboard positioned in front.

Image 2: The iHome IH-IP2100 case with an iPad 2 inserted, showing the Bluetooth keyboard attached and ready for use.

Image 3: A side view of the iHome IH-IP2100 case, demonstrating the iPad 2 positioned in stand mode with the keyboard in front.

4. Setup

4.1 Inserting the iPad 2

1. Open the iHome leather case.
2. Carefully align your iPad 2 with the frame inside the case.
3. Gently press the iPad 2 into the frame until it is securely seated. Ensure all ports and buttons are accessible through the case cutouts.

Image 4: The iHome IH-IP2100 case shown open with an iPad 2 securely inserted into its frame.

4.2 Pairing the Bluetooth Keyboard

1. **Charge the Keyboard:** Before first use, ensure the keyboard is fully charged. Refer to Section 5 for charging instructions.
2. **Power On Keyboard:** Locate the power switch on the Bluetooth keyboard and slide it to the 'ON' position. The indicator light should illuminate.
3. **Activate Pairing Mode:** Press the 'Connect' or 'Pair' button on the keyboard (refer to keyboard layout for exact button location, typically a small button near the power switch or a function key combination). The Bluetooth indicator light will start blinking, indicating it is in pairing mode.
4. **Enable Bluetooth on iPad 2:** On your iPad 2, go to**Settings** > **Bluetooth** and turn Bluetooth 'ON'.
5. **Select Keyboard:** Your iPad 2 will search for nearby Bluetooth devices. When 'iHome Keyboard' or a similar name appears in the list, tap on it.
6. **Enter Pairing Code:** A pairing code will appear on your iPad's screen. Type this code on the iHome Bluetooth keyboard and press **Enter**.
7. **Confirmation:** Once paired, the iPad will show 'Connected' next to the keyboard's name, and the keyboard's Bluetooth indicator light will stop blinking.

4.3 Setting Up the Stand

The case is designed to fold into a stand, providing multiple viewing angles for your iPad 2. Fold the back cover of the case to create a stable triangular support, then place the iPad 2 into one of the grooves on the case's interior to achieve your desired viewing angle.

5. Operating Instructions

5.1 Keyboard Functions

The Bluetooth keyboard provides a full QWERTY layout with additional function keys for iPad control:

- **Function (Fn) Key:** Used in combination with other keys to access special functions (e.g., volume control, media playback, screen lock).
- **Home Key:** Returns to the iPad's home screen.
- **Search Key:** Activates the iPad's search function.
- **Media Control Keys:** Play/Pause, Previous Track, Next Track.
- **Volume Keys:** Mute, Volume Down, Volume Up.

5.2 Charging the Keyboard

The keyboard features a built-in rechargeable lithium-ion battery. To charge:

1. Connect the small end of the dual USB charging cord to the charging port on the keyboard.
2. Connect the larger USB end of the charging cord to a powered USB port (e.g., computer, USB wall adapter).
3. The charging indicator light on the keyboard will illuminate during charging and turn off or change color when fully charged.
4. The dual USB charging cord allows for simultaneous charging of both the iPad (if connected to a power source) and the Bluetooth keyboard.

6. Maintenance

6.1 Cleaning the Case and Keyboard

- Wipe the leather case with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For the keyboard, use a soft, dry cloth to clean the keys and surfaces. A can of compressed air can be used to remove debris from between the keys.
- Ensure the keyboard is powered off before cleaning.

6.2 Battery Care

- To prolong battery life, avoid fully discharging the keyboard battery frequently.
- If storing the keyboard for an extended period, charge it to approximately 50% before storage.

7. Troubleshooting

7.1 Keyboard Not Pairing

- Ensure the keyboard is powered on and fully charged.

- Make sure Bluetooth is enabled on your iPad 2.
- Place the keyboard and iPad 2 within close proximity (within 10 meters).
- If previously paired, try 'forgetting' the device on your iPad (Settings > Bluetooth > Tap the 'i' icon next to the keyboard > Forget This Device) and re-pair it.
- Restart both the keyboard and your iPad 2.

7.2 Keyboard Not Typing

- Verify the keyboard is powered on and successfully paired with your iPad 2.
- Check the keyboard's battery level. Charge if necessary.
- Ensure no other Bluetooth devices are interfering with the connection.
- Try disconnecting and reconnecting the Bluetooth connection on your iPad.

8. Specifications

Model Number	IH-IP2100
Product Dimensions	8.25 x 1.25 x 10.5 inches
Item Weight	1.4 pounds
Connectivity Technology	Bluetooth
Battery Type	Rechargeable Lithium-ion
Material	Leather
Compatible Devices	Apple iPad 2

9. Warranty and Support Information

For warranty details and technical support, please refer to the documentation included with your purchase or visit the official iHome website. You may also contact iHome customer service directly for assistance with your IH-IP2100 product.
