Bosco 017252500004

Bosco Chocolate Syrup User Manual

Model: 017252500004

Product Overview

The Original Bosco Chocolate Syrup is a versatile food product designed for enhancing beverages and desserts. It is formulated with natural cocoa and fortified with B vitamins, free from artificial colors or flavors. This manual provides instructions for its proper use, storage, and general information.

Setup and Preparation

Before first use, ensure the bottle is sealed and undamaged. No complex setup is required for this product.

1. **Uncap:** Twist the cap counter-clockwise to open the squeeze bottle.
2. **Shake Well:** Prior to each use, shake the bottle thoroughly to ensure consistent syrup consistency.

Operating Instructions

Bosco Chocolate Syrup can be used in various applications:

- **Chocolate Milk:** Add 2-3 tablespoons (or to taste) of Bosco Chocolate Syrup to 8 ounces of cold milk. Stir well until fully dissolved.
- **Dessert Topping:** Squeeze desired amount directly over ice cream, cakes, pancakes, waffles, or other desserts.
- **Hot Beverages:** Mix into hot milk or coffee for a chocolate-flavored drink. Adjust quantity to desired sweetness and chocolate intensity.
- **Baking:** Incorporate into recipes as a chocolate flavoring agent. Refer to specific recipe instructions for quantities.

Maintenance and Storage

Proper storage ensures the quality and longevity of the product.

- **Storage:** Store in a cool, dry place away from direct sunlight. After opening, refrigerate for best quality and to extend shelf life.
- **Shelf Life:** Consume within 6 months of opening and refrigerate for best quality. Refer to the "Best By" date printed on the bottle.
- **Cleaning:** Wipe the nozzle and cap after each use to prevent stickiness and ensure proper sealing.

Troubleshooting

Common observations and their resolutions:

- **Syrup too thick:** If the syrup becomes too thick, ensure it is stored at room temperature before use, or gently warm the bottle in warm water (do not microwave the bottle). Shaking well before use can also help.
- **Separation:** Natural separation of ingredients may occur over time. This is normal. Shake the bottle vigorously before each use to re-emulsify the syrup.
- **Difficulty dispensing:** Check if the nozzle is clogged. Clear any dried syrup from the opening.

Product Specifications and Ingredients
