## Saicos 8101 ECO 407

# Saicos 8101 ECO 407 Ecoline Mop Care Concentrate 1L Instruction Manual

## 1. INTRODUCTION

---

The Saicos Ecoline Mop Care Concentrate is a specialized wiping water additive formulated with vegetable soaps and natural care additives. It is designed for gentle and thorough cleaning, ensuring streak-free results while refreshing surfaces and protecting against re-soiling. Its low-foam composition makes it suitable for both manual application and cleaning machines.

## 2. PRODUCT FEATURES

- Concentrated wiping water additive for various surfaces.
- Provides streak-free cleaning.
- Solvent-free formulation.
- Highly economical in use.
- Low-foaming, suitable for cleaning machines.

## 3. INTENDED USE AND AREAS OF APPLICATION

This product is suitable for a wide range of surfaces:

- All wood and cork floors with waxed or oiled surfaces.

- Other wipeable hard floors, including PVC, linoleum, ceramic, and tiles.
- Laminate floors.
- Furniture and other interior wood surfaces with waxed, oiled, or painted finishes.

#### 4. SETUP AND PREPARATION

Ensure the floor or surface is free from loose dirt and dust before application. No special preparation beyond standard cleaning is required.

#### 5. OPERATING INSTRUCTIONS (APPLICATION)

1. **Dilution:** Simply add the concentrate to your wiping water. For 1-liter containers, use approximately 2 capfuls per 5 liters of water. For 10-liter containers, use approximately 1 capful per 5 liters of water.
2. **Application:** Wring the mop cloth or cleaning tool thoroughly to ensure it is damp, not soaking wet.
3. **Cleaning:** Wipe the surface as usual.
4. **Drying:** If necessary, wipe the surface dry with a clean, dry cloth to prevent water spots, especially on sensitive surfaces.

**Yield:** Approximately 3 capfuls are sufficient for 5 liters of water.

#### 6. MAINTENANCE AND SPECIAL CARE

For specific care needs:

- **Stubborn Stains:** For removing particularly stubborn stains, or for occasional refreshment and care of wood and cork floors, furniture, and interior woods, Saicos recommends using their Ecoline Care Wax.
- **Heavily Stressed Floors:** Heavily stressed floors can be renovated locally (without visible transitions) using Saicos Ecoline Hard Wax Oil.

#### 7. SPECIFICATIONS

<b>Brand</b>	Saicos
<b>Model Number</b>	8101 ECO 407
<b>Product Dimensions</b>	12 x 7 x 17 cm
<b>Item Weight</b>	997.9 g
<b>Volume</b>	1 Liter
<b>Date First Available</b>	January 20, 2025

#### 8. IMPORTANT NOTES AND SAFETY INFORMATION

Always read labels, warnings, and directions before using any product. Actual product packaging and materials may contain more and different information than what is presented in this manual. It is recommended not to rely solely on the information provided here.

Keep out of reach of children. Avoid contact with eyes. In case of contact, rinse thoroughly with water. Do

not ingest. If swallowed, seek medical advice immediately.

## **9. WARRANTY AND SUPPORT**

---

For specific warranty information or product support, please refer to the product packaging or contact Saicos directly through their official website or customer service channels. Details regarding warranty periods and claims procedures are typically provided by the manufacturer.
