1. INTRODUCTION

This manual provides instructions and information for the Hot Wheels Surf Patrol Truck replica, Collector #102, Model 5348. This 1:64 scale die-cast vehicle is a vintage 1991 issue, featuring a yellow body, red interior, and razor-style wheels with wide all-terrain tires. It is intended for collecting and play.

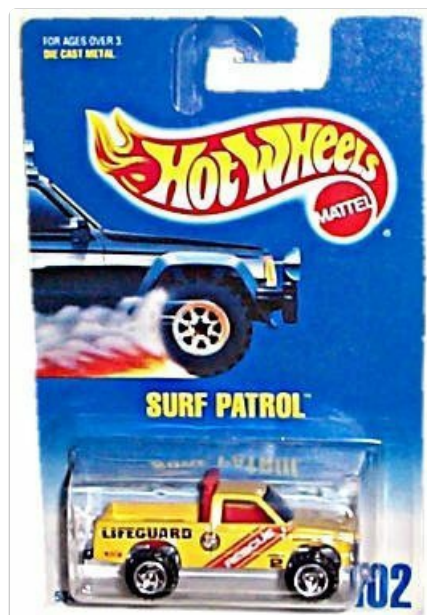

Image 1.1: Hot Wheels Surf Patrol Truck replica, Model 5348, displayed in its packaging.

2. SETUP

The Hot Wheels Surf Patrol Truck replica is ready for use directly out of its packaging. No assembly or batteries are required.

1. **Unpackaging:** Carefully remove the vehicle from its standard hang card packaging. Ensure no small plastic or cardboard pieces remain attached to the vehicle.
2. **Initial Inspection:** Examine the vehicle for any visible damage or manufacturing defects. Verify that all four wheels rotate freely.

3. OPERATING INSTRUCTIONS

This die-cast vehicle is designed for both display and interactive play.

- **For Play:** The vehicle can be pushed manually on various flat surfaces. Its razor-style wheels and wide all-terrain tires are designed for smooth movement.
- **For Display:** Position the vehicle on a flat, stable surface. For collectors, it can be displayed within its original packaging or as a standalone item.

Note: This product is a replica toy vehicle and does not feature electronic components or remote control capabilities.

4. MAINTENANCE

Proper care will help preserve the condition of your Hot Wheels Surf Patrol Truck replica.

- **Cleaning:** To clean the vehicle, gently wipe it with a soft, dry cloth. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the paint finish or plastic components.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause paint fading. Keep it free from dust to maintain its appearance.
- **Handling:** Handle the vehicle by its body to avoid bending or damaging smaller parts like axles or mirrors.

5. TROUBLESHOOTING

This section addresses common minor issues you might encounter with your die-cast vehicle.

Problem	Possible Cause	Solution
Wheels do not roll smoothly.	Debris caught in axles or minor axle misalignment.	Gently inspect wheels and axles for any foreign objects and carefully remove them. Ensure wheels are properly seated.
Paint appears dull or faded.	Accumulated dust or prolonged exposure to sunlight.	Wipe with a soft, dry cloth. Store away from direct sunlight. Note that some fading may occur over many years due to age.

Problem	Possible Cause	Solution
Small parts (e.g., mirrors) are loose or detached.	Rough handling or manufacturing variation.	For minor detachments, a small amount of model adhesive may be used by an adult. For significant damage, contact manufacturer support.
