ABIKSMEBLE Alicante 2 Wardrobe with Mirror - 300 cm Black - Instruction Manual

1. INTRODUCTION

Thank you for choosing the ABIKSMEBLE Alicante 2 Wardrobe. This modern and practical storage unit is designed to enhance your living space, offering both functionality and aesthetic appeal. Featuring integrated mirrors, durable construction, and flexible internal configurations, it provides an optimal storage solution for your home.

This manual provides essential information for the safe assembly, operation, and maintenance of your new wardrobe. Please read it thoroughly before beginning assembly and retain it for future reference.

2. SAFETY INFORMATION

- **Two-Person Assembly:** Due to the size and weight of the components, assembly requires at least two adults.
- **Handle with Care:** Mirrors and glass components are fragile. Handle them carefully to prevent breakage and injury.
- **Secure to Wall:** For safety and stability, especially with tall furniture, it is highly recommended to secure the wardrobe to a wall using appropriate anti-tip hardware (not always included, check package contents).
- **Small Parts:** Keep all small parts and hardware out of reach of children and pets to prevent choking hazards.
- **Proper Tools:** Use only the recommended tools for assembly. Do not overtighten screws.
- **Level Surface:** Assemble the wardrobe on a clean, flat, and stable surface to prevent damage and ensure proper alignment.

3. PACKAGE CONTENTS

Before starting assembly, please verify that all components and hardware are present and undamaged. Refer to the packing list provided with your product for a detailed inventory.

- Laminated panels (side panels, top/bottom panels, shelves, partitions)

- Back panels (HDF)
- Hinged doors with soft-close mechanism
- Integrated mirrors
- Metal hanging rails
- Handles
- Assembly hardware (screws, dowels, cam locks, brackets, etc.)

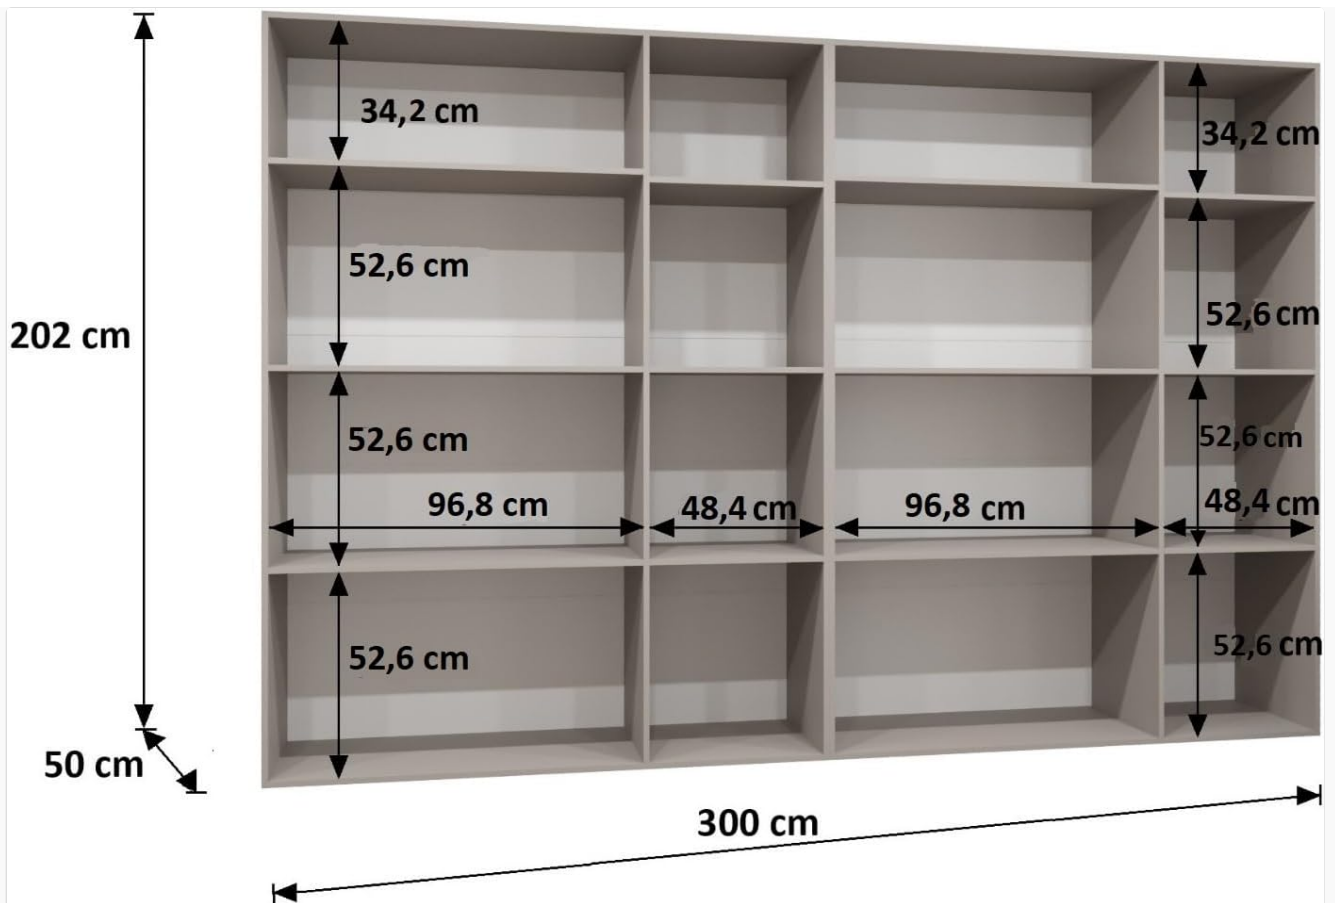

4. ASSEMBLY INSTRUCTIONS (SETUP)

Follow these steps carefully for proper assembly. It is recommended to have at least two people for this process.

1. **Prepare the Area:** Clear a spacious, clean, and level area for assembly. Lay down a blanket or cardboard to protect the panels from scratches.
2. **Assemble the Base Frame:** Connect the bottom panel to the side panels using the provided hardware. Ensure all connections are secure.
3. **Install Internal Partitions:** Insert the vertical and horizontal partitions according to your desired configuration (A or B). The wardrobe supports two main internal layouts:
 - **Configuration A:** Features sections with hanging rails and upper/lower shelves.
 - **Configuration B:** Primarily consists of multiple shelves for folded items.

- **Attach Back Panels:** Carefully slide or nail the HDF back panels into the grooves or secure them to the rear of the wardrobe frame. This reinforces stability.
- **Install Top Panel:** Secure the top panel to the assembled frame.
- **Mount Doors and Mirrors:** Attach the hinged doors to the side panels and partitions. The mirrors are integrated into specific doors. Ensure the soft-close mechanisms are correctly installed and aligned. Adjust hinges as needed for proper door closure and alignment.
- **Attach Handles:** Secure the handles to the doors.
- **Final Placement and Anchoring:** Move the assembled wardrobe to its final position. For safety, secure the wardrobe to the wall using appropriate anti-tip hardware.

5. OPERATING INSTRUCTIONS

- **Opening/Closing Doors:** Gently pull the handles to open the doors. The soft-close hinges will ensure a smooth and quiet closing action. Avoid forcing the doors.
- **Using Shelves:** Distribute weight evenly on shelves. Avoid overloading to prevent bowing or damage.
- **Using Hanging Rails:** Hang clothes evenly across the rail. Do not exceed the weight capacity of the rail to prevent bending or detachment.

6. MAINTENANCE AND CARE

- **Cleaning Surfaces:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Mirror Care:** Clean mirrors with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror edges to prevent damage to the silvering.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish and materials.
- **Regular Checks:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary, but do not overtighten.

- **Protect from Moisture and Heat:** Avoid placing hot items directly on the surface. Protect the wardrobe from excessive moisture and direct sunlight to prevent warping or fading.

7. TROUBLESHOOTING

- **Doors Not Closing Properly:** Check the hinge alignment. Most hinges allow for minor adjustments to ensure doors close flush and evenly. Refer to hinge manufacturer instructions if available.
- **Wardrobe Feels Unstable:** Ensure all assembly hardware is securely tightened. Verify that the wardrobe is placed on a level surface. If still unstable, ensure it is properly anchored to the wall.
- **Scratches or Damage:** For minor scratches, furniture repair kits may be used. For significant damage, contact customer support for assistance.
- **Missing Parts:** If any parts are missing upon unboxing, contact the retailer or manufacturer immediately for replacements.
