Alessi 200507 Lid Instruction Manual

Model: 200507

INTRODUCTION

Thank you for choosing the Alessi 200507 Lid. This replacement lid is designed for your Alessi Gianni kitchen can, featuring the iconic "little man" detail. Crafted from durable resin, this lid ensures a secure fit and maintains the aesthetic appeal of your kitchenware. Please read this manual carefully before use to ensure proper handling and longevity of your product.

SETUP

1. **Unboxing:** Carefully remove the lid from its packaging. Inspect for any signs of damage during transit.
2. **Initial Cleaning:** Before first use, wash the lid thoroughly with warm soapy water. Rinse completely and dry with a soft cloth. The lid is also dishwasher safe (see Maintenance section).
3. **Attaching the Lid:** Align the lid with the opening of your Alessi Gianni kitchen can. Gently press down and twist clockwise until it forms a secure seal. Ensure the "little man" is positioned as desired.

OPERATING INSTRUCTIONS

The Alessi 200507 Lid is designed for simple and effective use with your Alessi Gianni kitchen can.

- **Sealing:** To seal the can, place the lid on top and turn clockwise until it feels snug. Do not overtighten.
- **Opening:** To open, turn the lid counter-clockwise until it loosens, then lift it off.
- **Storage:** Ensure the lid is properly sealed to protect contents from air and moisture.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Alessi lid.

- **Cleaning:** The lid is dishwasher safe. For hand washing, use mild soap and warm water. Avoid abrasive cleaners or scouring pads that could scratch the surface.

- **Microwave Use:** The lid is microwaveable. However, avoid prolonged exposure to high temperatures which may cause warping or discoloration.
- **Storage:** Store the lid in a clean, dry place when not in use.
- **Material:** Made from durable resin, the lid is designed for everyday use.

TROUBLESHOOTING

- **Lid not sealing properly:**
 - Ensure the rim of the can and the lid's sealing surface are clean and free of debris.
 - Check if the lid is aligned correctly before twisting.
 - Verify that you are using the correct size lid for your Alessi Gianni kitchen can.
- **Lid difficult to open or close:**
 - Avoid overtightening.
 - A small amount of food-grade lubricant (e.g., mineral oil) can be applied to the threads if resistance persists, ensuring it is safe for food contact.
- **Discoloration or warping:**
 - Avoid prolonged exposure to direct sunlight or extreme heat sources.
 - While microwaveable, excessive or very high-temperature microwave use can potentially affect the material over time.

SPECIFICATIONS

Model Number	200507
Brand	Alessi
