Papo Papo-sha Bear Children Figure - Model 50 031 Instruction Manual

Your guide to the Papo Wild Animals Collection

1. PRODUCT OVERVIEW

The Papo Papo-sha Bear Children Figure (Model 50 031) is a meticulously crafted and hand-painted collectible toy figure from the Papo Wild Animals series. Designed with attention to detail, this figure aims to provide a realistic representation of a bear cub, suitable for imaginative play, educational purposes, or display within a collection.

Figure Description: A detailed brown bear cub figure from Papo, designed for realistic play and collection. The figure stands on all fours, showcasing textured fur and distinct facial features.

2. SETUP

This product requires minimal setup. Simply remove the figure from its packaging. Ensure all packaging materials are safely discarded, especially if children are present.

3. OPERATING (USAGE GUIDELINES)

The Papo-sha Bear Children Figure is intended for:

- **Imaginative Play:** Encourage creative storytelling and role-playing in various settings.
- **Educational Purposes:** Use as a visual aid for learning about wildlife and animal characteristics.
- **Collection:** Display the figure as part of a larger collection of animal figurines.

Important: This figure is not intended for use as a chew toy. Supervise young children during play.

4. MAINTENANCE (CARE AND CLEANING)

To ensure the longevity and appearance of your Papo figure, follow these care instructions:

- **Cleaning:** Wipe the figure gently with a soft, damp cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these may damage the paint or material.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight or extreme temperatures, which can cause fading or material degradation.
- **Handling:** Handle the figure with care to prevent accidental drops or impacts that could cause breakage or paint chips.

5. TROUBLESHOOTING

While Papo figures are designed for durability, here are some common inquiries:

- **Paint Chipping:** Minor paint chipping can occur with rough handling or impacts. This is generally cosmetic and does not affect the figure's primary function.
- **Figure Not Standing:** Ensure the figure is placed on a flat, stable surface. Slight variations in manufacturing are normal for hand-painted items.

For issues not covered here, please refer to the support section.
