REVLON 10003561

Revlon Nail Enamel 490 Urban Instruction Manual

Brand: REVLON | Model: 10003561

1. PRODUCT OVERVIEW

The Revlon Nail Enamel in shade 490 Urban is a chip-resistant nail polish designed to provide a glossy, smooth finish. Its formula includes a built-in top coat for enhanced shine and strengthening properties. This product is formulated without formaldehyde, dibutyl phthalate, toluene, formaldehyde resin, and camphor.

Image 1: Revlon Nail Enamel bottle in 490 Urban. The bottle is clear glass with a black cap, displaying the deep blue-green polish.

Key Features:

- **Chip Defiant Technology:** Helps color remain vibrant and resist chipping for extended wear.
- **Glossy Shine Finish:** Achieves a smooth, high-shine manicure.
- **Gentle Formula:** Does not yellow nails and is free from formaldehyde, dibutyl phthalate, toluene, formaldehyde resin, and camphor.
- **Smooth Application:** Designed for easy, bubble-free application.

2. PREPARATION FOR APPLICATION

Proper nail preparation is essential for optimal adhesion and longevity of the nail enamel.

1. **Clean Nails:** Ensure nails are clean, dry, and free of any old polish, oils, or lotions. Use a nail polish remover if necessary.
2. **Shape Nails:** File and shape your nails to your desired length and style.
3. **Push Back Cuticles:** Gently push back cuticles using a cuticle pusher.
4. **Buff Nails (Optional):** Lightly buff the nail surface to create a smooth base, if desired.
5. **Apply Base Coat (Recommended):** For best results and to protect against chips, breaks, and

yellowing, apply a thin layer of Revlon Quick Dry Base Coat. Allow it to dry completely.

3. APPLICATION INSTRUCTIONS

Follow these steps for a smooth and even application of Revlon Nail Enamel.

Image 2: Close-up of the top of the Revlon Nail Enamel cap, clearly showing the shade number "490 URBAN" in gold lettering.

1. **Shake Bottle:** Gently shake the nail enamel bottle to mix the color thoroughly.
2. **First Coat:** Apply a thin, even first coat of Revlon Nail Enamel to each nail. Start from the base of the nail and brush towards the tip.
3. **Allow to Dry:** Let the first coat dry for 2-3 minutes. The quick-dry formula helps speed this process.
4. **Second Coat:** Apply a second thin, even coat for richer color and enhanced gloss.
5. **Final Drying:** Allow the second coat to dry completely. Drying time may vary based on coat thickness and environmental conditions.

Image 3: Swatches of Revlon Nail Enamel 490 Urban applied to nails on hands with diverse skin tones, demonstrating the color's appearance.

4. MAINTENANCE AND STORAGE

- **Tighten Cap:** Always ensure the cap is tightly sealed after each use to prevent the polish from drying out.
- **Store Upright:** Store the bottle upright in a cool, dry place away from direct sunlight and heat.
- **Avoid Extreme Temperatures:** Do not expose the nail enamel to extreme hot or cold temperatures, as this can affect its consistency and performance.
- **Removal:** Use a standard nail polish remover to gently remove the enamel when desired.

5. TROUBLESHOOTING

Issue	Possible Cause	Solution
Streaky Application	Too much polish on the brush, or uneven application.	Wipe excess polish from the brush before applying. Apply thin, even coats.

Issue	Possible Cause	Solution
Bubbles in Polish	Shaking the bottle too vigorously, or applying coats too thickly.	Gently roll the bottle between your palms instead of shaking. Apply thinner coats.
Chipping Prematurely	Improper nail preparation, or not using a base/top coat.	Ensure nails are clean and dry. Use a base coat and consider a separate top coat for extra durability.
Polish Too Thick	Bottle not sealed properly, or old polish.	Ensure cap is tight. A few drops of nail polish thinner (not remover) can sometimes revive thick polish.

6. SPECIFICATIONS

- **Brand:** REVLON
- **Model Name:** Revlon Nail Enamel, Chip Resistant Nail Polish, Glossy Shine Finish
- **Item Model Number:** 10003561
- **Color:** 490 Urban
- **Item Form:** Liquid
- **Liquid Volume:** 0.5 Fluid Ounces
- **Product Dimensions:** 1.22 x 1.22 x 3.1 inches
- **Item Weight:** 0.74 ounces (0.02 Kilograms)
- **Material Type Free:** Formaldehyde Free
- **Finish Type:** Glossy
- **Additional Features:** Anti-Fade, Quick Dry
- **Manufacturer:** Revlon
- **GTIN/UPC:** 033000000107

Ingredients:

Butyl Acetate, Ethyl Acetate, Nitrocellulose, Isopropyl Alcohol, Adipic Acid/Neopentyl Glycol Crosspolymer, Trimethyl Pentanyl Diisobutyrate, Stearalkonium Hectorite, Colorants (CI 77499, CI 77891, CI 77007, etc.), Fragrance (Parfum).
