Wilton 710-0017

Wilton Edible Candy Eyeball Sprinkles (Model 710-0017) Instruction Manual

PRODUCT OVERVIEW

Wilton Edible Candy Eyeball Sprinkles are designed to add a fun and expressive touch to your baked goods and desserts. These small, black and white candy eyes are suitable for decorating a variety of treats, including cakes, cupcakes, cookies, brownies, and more. They are intended for decorative use on finished desserts and are not suitable for baking directly into items.

USAGE INSTRUCTIONS

To apply the candy eyeballs, use a small dot of icing or edible adhesive on the back of each eyeball. Gently press the eyeball onto your desired dessert surface. For a fun polka dot effect, scatter the eyeballs on frosted cakes. Each 0.88 oz package contains enough eyeballs to decorate approximately 24 to 36 treats, assuming two eyes per dessert.

Application Examples:

- **Cupcakes:** Create monster or character faces on frosted cupcakes.
- **Cookies:** Add personality to cookies for themed parties or holidays.
- **Brownies:** Decorate brownie bites with expressive eyes.
- **Rice Cereal Treats:** Transform simple treats into fun characters.
- **Ice Cream & Candies:** Use as a playful topping.
