## ASSEMBLY INSTRUCTIONS

---

The Halo Wars Mega Bloks Covenant Strike set requires assembly. Follow the step-by-step visual instructions provided in the physical manual included in your product packaging. Ensure all 207 pieces are accounted for before beginning assembly.

### General Assembly Tips:

- **Organize Pieces:** Sort pieces by color, size, or type to facilitate easier identification during assembly.
- **Follow Sequence:** Adhere strictly to the numbered steps in the assembly guide to ensure correct construction.
- **Secure Connections:** Ensure all building blocks are firmly pressed together to create stable connections.
- **Minifigure Assembly:** Assemble the minifigures according to their specific instructions, attaching limbs, armor, and accessories as indicated.

This set is recommended for ages 8 years and up due to the complexity of assembly and small parts.

## OPERATION AND PLAY

---

Once assembled, the Halo Wars Mega Bloks Covenant Strike set is ready for interactive play. The set is designed to recreate a specific narrative: a Covenant task force ambushing a UNSC Troop Transport.

## Key Play Features:

- **UNSC Troop Transport Warthog:** This vehicle features rolling wheels and can accommodate minifigures in the driver's seat and on the rear turret.
- **Articulated Minifigures:** All included minifigures (UNSC Spartan, Marines, Covenant Grunts, Elites, Brutes) are articulated, allowing for dynamic posing and action scenes.
- **Accessories:** Figures come with various weapons and accessories to enhance play scenarios.
- **Scenario Recreation:** Use the figures and vehicle to reenact the described ambush scenario or create your own Halo-themed battles.

The durable plastic construction ensures the set can withstand active play.

## MAINTENANCE

---

Proper maintenance will ensure the longevity and appearance of your Mega Bloks set.

### Cleaning Instructions:

- **Dust Removal:** Use a soft, dry cloth or a soft-bristled brush to gently remove dust from the blocks and figures.
- **Spot Cleaning:** For stubborn dirt, lightly dampen a cloth with mild soap and water. Gently wipe the affected area, then immediately dry with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic and painted details.
- **Do Not Submerge:** Avoid submerging the entire set or individual pieces in water, as this can trap moisture and potentially damage the plastic over time.

### Storage:

Store the assembled set or individual pieces in a cool, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration of the plastic.

## TROUBLESHOOTING

---

While Mega Bloks sets are designed for straightforward assembly, you may encounter minor issues. Here are some common troubleshooting tips:

### Missing Pieces:

- **Check Packaging:** Thoroughly inspect all packaging materials, including bags and boxes, as small pieces can sometimes be overlooked.
- **Verify Part List:** Compare the contents of your set with the parts list provided in the physical instruction manual.
- **Contact Support:** If a piece is genuinely missing, contact Mega Construx customer support for assistance.

### Difficulty Assembling:

- **Review Instructions:** Re-read the specific step causing difficulty and examine the accompanying illustrations carefully.
- **Check Orientation:** Ensure pieces are oriented correctly before attempting to connect them.
