Inspire Premium Incontinence Panty Liners User Manual

Model: INSLN10-4

PRODUCT OVERVIEW

Inspire Premium Absorbent Liners are designed to offer maximum incontinence protection and supreme comfort. They feature a specially designed extra-soft top layer that wicks moisture into a super absorbent polymer core, ensuring dryness and comfort throughout the day. The absorbent polymer gels when moist, providing continuous comfort, dryness, and odor elimination. A built-in adhesive tape secures the liner in place.

TROUBLESHOOTING

Common Issues

- **Issue:** Liner not adhering properly.
Solution: Ensure the surface of the underwear is clean and dry before application. Press the liner firmly onto the fabric to activate the adhesive.
- **Issue:** Reduced absorbency or leakage.
Solution: Verify that the liner is positioned correctly for optimal coverage. Consider changing the liner more frequently if the absorbency capacity is being exceeded.
- **Issue:** Skin irritation.
Solution: If skin irritation occurs or persists, discontinue use and consult a healthcare professional. Ensure skin is clean and dry before applying a new liner.
