SETUP AND FIRST USE

1. **Unpack:** Carefully remove all items from the packaging.
2. **Inspect:** Check all tools for any signs of damage or manufacturing defects.
3. **Clean:** Before first use, wash all items thoroughly with warm, soapy water. Rinse completely and dry. Refer to the "Maintenance and Care" section for specific cleaning instructions for each item.

OPERATING INSTRUCTIONS

These tools are designed for general kitchen use. All cooking tools are safe for use with all types of cookware, including non-stick surfaces.

General Usage Tips:

- Avoid leaving plastic or nylon tools unattended in hot pots or pans for extended periods to prevent damage.

- Use appropriate tool for the task:
 - **Slotted Spoon & Basting Spoon:** Ideal for stirring, serving, and draining liquids from foods.
 - **Turner & Slotted Turner:** Suitable for flipping, lifting, and serving foods like pancakes, eggs, or burgers.
 - **Spoon/Spatula & Spatula/Scraper:** Excellent for mixing, scraping bowls, and folding ingredients.
 - **Peeler:** Designed for removing the outer skin of fruits and vegetables. Hold the item firmly and peel away from your body.
 - **Pizza Cutter:** Use to slice through pizzas, flatbreads, or pastries. Apply even pressure and roll across the surface.
 - **Can Opener:** Position the opener on the rim of the can, engage the cutting wheel, and turn the handle to open.
 - **Measuring Cups & Spoons:** Use for precise measurement of dry and liquid ingredients. Ensure level measurements for accuracy.

MAINTENANCE AND CARE

- **Dishwasher Safe:** All items in this set, with the exception of the can opener, are dishwasher safe. For best results and to prolong the life of the tools, place them on the top rack of the dishwasher.
- **Hand Wash Only:** The can opener should be hand-washed with warm, soapy water and dried immediately to prevent rust and maintain its cutting edge.
- **Storage:** Store tools in a dry place to prevent damage.

TROUBLESHOOTING

Common Issues:

- **Plastic Tools Melting/Deforming:** While designed for heat resistance, direct and prolonged contact with very hot surfaces (e.g., bottom of a hot pan on high heat) can cause plastic or nylon tools to melt or deform. Avoid leaving tools in hot cookware unattended.
- **Can Opener Difficulty:** If the can opener struggles to cut, ensure it is properly aligned on the can's rim. If the issue persists after cleaning, the blade may be dull.
- **Measuring Cups/Spoons Breaking:** These are made of durable plastic but can break if excessive force is applied, especially when scooping hard or frozen ingredients.

If you encounter issues not listed here, please refer to the "Support" section for assistance.

SPECIFICATIONS

Brand	Farberware
Model Number	5080445
Material	Heat Resistant Plastic
Color	Black
Size	17 Piece Set
Item Weight	1 Pound
Product Dimensions	5.12 x 7.87 x 13 inches
